President's Message Crosstalk April 30th

CCA Friends,

For those of you who attended the April 6th membership meeting at the Chamber of Commerce, thanks for your feedback. It was very evident that everyone liked the room and the audio/visual amenities it offers. The offer to use this room came from the Chamber because of the relationship the club has built with them over 10 years of supporting their Ostrich Festival Parade. The offer was very timely since the CCA Future Committee was already in the process of trying to locate a larger meeting space. And there is no charge for using the room!

The Future Committee is also working on the possibility of the All-Chevy Show in downtown Chandler in November. More information on this will be coming to your Inbox soon, and if you are able to attend the May 4th meeting, please do so as we'll be discussing and voting on the car show.

Thanks to all the members who have hosted drivers, parties, lunches, car show, autocross, banquet, work parties and more during these first four months of the year!! Activities are the heart of the club, and we offer a great variety of quality events. Let's keep it going during the summer months also. There are plenty of us around to do that!

And while you're at it, smile, you're driving a Vette.

Marge

MID-ENGINE CORVETTES

1977 Chevrolet Aerovette Concept with a transverse V8. This car also had a 4 rotor engine concept as well.

“2018+ Corvette ZR1/Zora LT5.” possible names to be used on the production car. Unfortunately its lines look very different from the mule photo.

It's not going to be a Corvette at all. And if you think about it from a branding perspective, if it's not going to be a Corvette What could it be but a Cadillac.

Some are speculating that the C8 mid-engine Corvette will likely make its debut at the 2018 Detroit auto show, a date that is coincidentally exactly five years after the C7 Stingray made its debut at the same show.

HORNY TOAD MINI DRIVER CAVE CREEK

Hosted by: Tina & Neil Pivar, Roc & Diana Campise

We did it! An unbelievable feat. Club members actually had a short driver in the middle of the week. This is unheard of. Our Vette Set group took 14 members on a leisurely drive up to Cave Creek. It was a spectacular day driving through the back roads behind Fountain Hills.

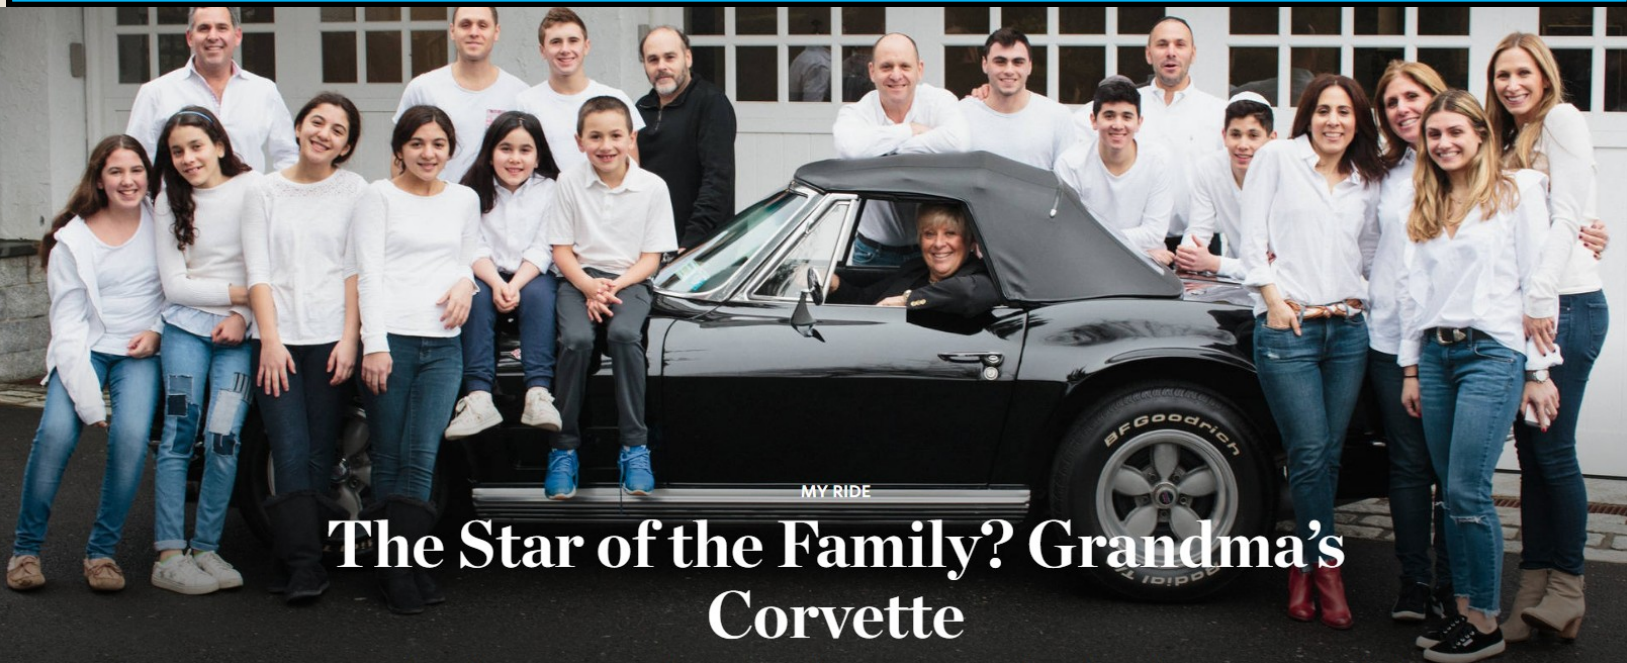

Thanks to Patty and Dave Friesz, our driver leaders, for their road guidance, get it leader, guidance? Let's not forget Tina and Neil Pivar, this was their driver. Great job! They were on top of everything. Remember the famous quote from the movie Independence day. "Not bad, not bad at all".

We had a nice lunch at the Horny Toad, a cute funky restaurant. We sat outside and the food was good and their famous strawberry shortcake dessert was shared by several in the group. Yummy.

We were eating on the patio when a gust of wind came up. Initially, everything was OK. The gallons of hairspray did its job and then finally failed to hold. Hair blowing everywhere. We looked like a crazed bunch of people. Scared the heck out of the other patrons around us. The other customers took off screaming and yelling for help as if a swarm of bees descended on them just to get away.

By now you figured out there was a bit of storytelling with this driver. But, all in all the day was perfect. New friendships were started and we look forward to the next Vette set group event.

FAMILY LIFE OF A CORVETTE

The Star of the Family? Grandma's Corvette

Carol Horowitz, 74, a librarian from Westhampton Beach, N.Y., on her 1964 Chevrolet Corvette Stingray.

Every Father's day at her son's home in Westchester County N.Y. with her kids and her many grandkids. Some of them who are old enough to drive take turns in the old Corvette. She loves the power and a little speed, but it's the memories she love the most. It all started with her husband, her family, the racing trophies, what a great life it has been.

Her husband and her were great fans of "Route 66", so a couple of months later they were married in 1964. They bought a new Corvette Sting Ray for \$4150.20. Life was simple then. No cell phones or GPS.

This Corvette was raced at Lime Rock, Watkins Glen and Bridgehampton with many trophies to show for it. When the babies started to come along, the Corvette became a family car?

OSTRICH FESTIVAL PARADE

Organized/Hosted/Written by Bill Rhode

Well,
Hellooooo
There!!!

SHUT UP!!
I'm in
charge
here!

No Show
Replacement

Another Ostrich Parade has come and gone with the Corvette Club of Arizona. Sixteen cars drove VIPs and seven cars made up the club entry. In addition, one driver got the chance of a lifetime by driving the Chicago Cubs truck with the mascot. Tom Palmer was given the opportunity when his rider withdrew from the parade on Friday and in the same email the Chamber asked if I could find someone to drive the mascot. I remembered Tom and Ellie were from Chicago so I called and asked if he was a White Sox or Cubs fan. He answered that he was a big time Cubs fan and that sealed the deal.

An unusual event occurred during the parade as Howard Katz and his rider sang along with the children in the group ahead. Rumor has it the song was on Howard's playlist.

Thirty-two CCA drivers and spouses socialized and discussed the parade over lunch at Rosati's afterwards.

I'd like to thank all who participated and give special recognition to Sheryl Katz and Janet Ray for carrying the

2017 CCA CAR SHOW HOSTED BY: JIM ENRIQUEZ & DAVID EDGINGTON

Before

After

Have you ever wondered what the Katz do in their spare time?

Affectionately known as “CITP,” this year’s All-Corvette Car show did not disappoint those who gathered on April 8th. There were great comments both from those who displayed their beautiful Corvettes and those who spectator the Corvettes. It is commonly referred to as “*The Best Corvette Show in Arizona.*” It is easy to see why. We had 97 Corvettes that registered and 92 that were in attendance representing all 7 generations. There were 27 CCA members that entered their cars. The event is held in the heart of Downtown Chandler at Dr. A.J. Chandler Park. It is an idyllic location with over 14 restaurants directly adjacent to the Corvettes along with local shops to visit (even though I don’t know why you’d want to shop when you have nearly 100 Corvettes to gaze at). The park even has shade and grass (yes, there is grass in Arizona). Your *Corvette Club of Arizona* has cultivated an excellent relationship with both the City of Chandler and

DCCP (*Downtown Chandler Community Partnership*). Thanks to several key members of CCA, these two groups actually *welcome* our club to put on CITP there. We even have a possibility of being able to do more with them. Stay tuned for more club news about this.

Trophies were given for 1st, 2nd & 3rd for each generation of Corvette along with a “Best of Show” that went to a customized C3. From our club, John Marsh took 3rd Place for his 1959 C1 and Norm Riffle took 1st Place for his 2009 C6. The cars are voted on by a “Participants Choice” balloting meaning that those who are entered vote on the cars they believe are best.

The CITP was sponsored by the DCCP - without their sponsorship we would not be able to do the show so we are grateful for the good relationship our club has developed with them over many years.

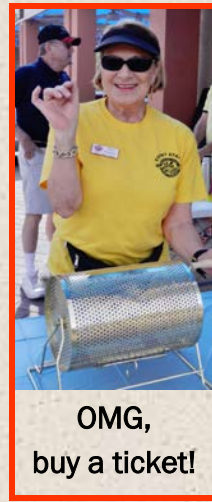

2017 CCA CAR SHOW HOSTED BY: JIM ENRIQUEZ & DAVID EDGINGTON

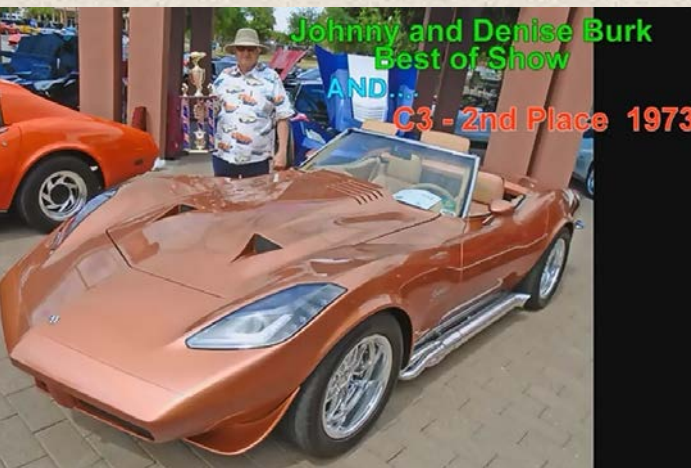

But the real stars of the show are the multitude of CCA members who work so well together as a team. We had both members and prospective members that made this show a reality - Parking, Registration, Music & DJ, Banker, Traffic Control, Equipment Transportation, Raffle & Ticket Sales, Ballot Tabulation, Photographer, Printing Various Forms and Ballots, Set Up & Tear Down, and others. There are a lot of moving parts to this show, but we have such a great club who love their Corvettes (and other people's Corvettes) that it all comes together amazingly well. Thank you to all who helped.

Though Jim Enriquez and I chaired this event, Jim really deserves the bulk of the credit since he does so much and does such a great job. He's also fun to work with and I was privileged to be able to work alongside him. We hope you enjoyed the show and if you were unable to attend, hope that you will look forward to it next year.

CHICKS LUNCH

Hosted by: Denise Lott & Norma Marsh

Our Corvette Chicks keep our monthly lunches filled with fun and festivities. For March, out came the green for St. Patrick's Day. Then, in April, our second Friday fell on the Easter weekend, so we donned our Easter bonnets to parade through our luncheon venue. Both events were held outside on the patio at the Stone & Barrel Tapahouse in Oakwood Country Club.

The invitation to our April luncheon was sent out by Norma Marsh:

*Get your feathers fluffed
And be on your way
To the Corvette Chick Luncheon
For a wonderful day!*

*Wait!!!.....
Don't forget your
Easter Bonnet!
We'll all be excited
To see what is on it!!!*

*Stylish, fancy, high or flat,
We can't wait to see your hat!*

*Hummm... do you suppose
there'll be a Contest???
To find the worst and to find
the best???
Don't worry...your hat will
meet the test!!!*

Adding to the festivities, Sheryl Katz brought baskets of candy to distribute — packaged peeps, Easter colored M&M's, and jelly beans in plastic eggs.

All Corvette Chicks, as well as prospective members, are welcome to join us on the second Friday of each month at the Oakwood Country Club, 11:00 AM. To be put on the reminder list, email Norma Marsh at njoymarsh@aol.com

And what interesting bonnets we had! Bunny names were awarded as follows:

- | | |
|---|---|
| Tina DeCamp
Bunny | Easter Garden |
| Mary O'Connor
Joyce Riffel
Bunny | Bunny Blue
Pretty in Pink |
| Sheryl Katz
Denise Lott
Bunny | Corvette Bunny
Midnight Garden |
| Joanie Nieman
Patty Friesz
Mary Ellen Hayden
Bunny | Comedy Bunny
Cowgirl Bunny
Fashionista |
| Sandy Sample
Pam Swanson
Elly Palmer
Bunny | Hawaiian Bunny
Snow Bunny
Pink Princess |
| Norma Marsh
Bunny | Purple Passion |
| Marge Rhode, Karen Mion, Cec O'Boyle, Nancy Hagen | Bunnies in Waiting |

And the winner: Judy Schmidt Top Easter Bunny of the Year!!

Check out the attached photo of Judy's hat taken from the back.

ST. PATRICK'S DAY PARTY

Hosted by: Darlene & Frank Heavlin & Marge & Bill Rhode

This year's party was held at the Heavlin's new 'thatched roof cottage' with a wonderful floor plan for entertaining and a large patio and backyard. And a putting green – perfect for spud putting! Have you ever tried to putt with a red potato instead of a golf ball? Well, party goers had the opportunity to give it a try while noshing on Irish Nachos and their drink of choice.

Dinner included traditional corned beef, cabbage and soda bread while dessert choices were Irish Cream cheesecake, Margarita cupcakes, and those almost famous Blarney Squares. No one went away hungry!

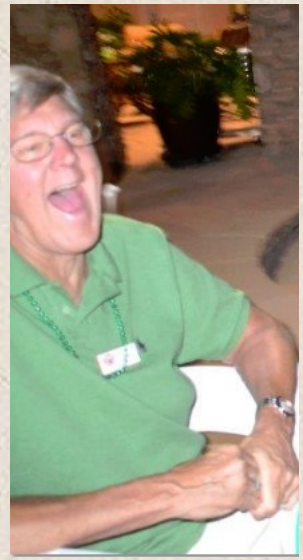

A special feature of this year's party was a performance by young girls from the Bracken School of Irish Dance. Four dancers ages 11 to 13, including Denise Lott's granddaughter, gave a wonderful performance that included both soft shoe and hard shoe step dancing. Wearing their beautiful embroidered dresses and dancing poolside, they were very talented and entertaining. After their program they even tried to teach Howard Katz and Bob Bassett some beginning dance steps! (Check out the video on the website!)

We had contests and we had winners. Dave Friesz won the Spud Putting with 9 strokes for four holes, and Esther Enriquez won the word scramble after Karen Mion and Sheryl Katz were disqualified for using offensive language (what??) to answer a tie breaker question!! ;)

And in the Irish fashion categories, Diana Campise was the best dressed Lassie, Howard Katz was the unanimous best dressed Lad, and Howard and Sheryl Katz were voted the best dressed couple. Congratulations to all the winners who received appropriate potato related prizes!

Dang Nab it .
My Funny Bone.
Get's Me Every Time.

As you slide down the banister of life, may the splinters never point the wrong way.

Vette Set Dinners

If you haven't hosted a vette set dinner, 2017 will be a great year to put one on. It's simple as 1-2-3.

1. Choose your favorite restaurant.
2. Contact Jim Kerber, kerbers@cox.net to obtain an open event calendar date,
3. By email send Diana Campise the Restaurant, Address, Date, Time and Number of Guests. Email diana2campise@yahoo.com. A member wide email who are vette set dinner registered will be sent to those on the list who want to take advantage of your hospitality. As hosts, all guest information will be provided to you to hand out prior to the dinner.

If you need help call Diana [480-209-0117](tel:480-209-0117).

The Corvette Song

I stopped off at the Quicksack for some beer and cigarettes
The old man took my money as he stared at my Corvette
He said, I had one just like her son, in 1963
Till the man down at the bank took her from me

Son she was hotter than a two dollar pistol
She was the fastest thing around
Long and lean, every young man's dream
And she turned every head in town

She was built and fun to handle son, I'm glad you dropped in
She reminds me of the one I loved back then
So I handed him the keys and said, "Here take her for spin"

The old man shook his head and then he looked at me again and grinned
He said, "Georgia don't think you understand it ain't your little car I want
It's the brunette in {incomprehensible} that's turn in 'me on

TRIVIA QUESTIONS BY *Scott Fleck*

- Q. What was the first car to use power operated seats?
- Q. When were seat belts first fitted to a motor vehicle?
- Q. Which car company started out German, yet became French after WW1?
- Q. What U.S. production car had the largest 4 cylinder engine?

Answer on page 17

ACTIVITIES CHAIR REPORT

By Jim Kerber

2017 has been a reasonably active year for CCA thus far. During the past 2 months we had a great Ostrich Festival Parade, a fun St. Patrick's Day Party, a successful weekday daytime driver to Cave Creek, a successful Corvettes in the Park car show, a fun Founders Day, a Highway Cleanup and a successful Spring AutoCross. The Chick's Lunch were also well attended during the past two months. May will be a busy month with the Progressive Dinner, Plastic Fantastic and Decades Day. After May the calendar is sparse for activities. We have three tentative drivers: one in June and two in August. Right now we have **NO** activities scheduled for July.

I see this as an opportunity for members to sponsor an activity for fellow club members. So if you have any ideas for an activity, let's talk about it. You can also partner with another member (make it a joint effort) to sponsor an event. We don't want to be stuck in our air conditioned homes watching the summer slip by and miss out on some summer fun. Please call **Jim Kerber** at **480-883-6476**, text or call Jim **480-313-6488**, or email Jim at **kerbers@cox.net** to discuss your ideas for the next great CCA activity!

Early in this year we started using an email program called Mail Chimp for sending out club email communications. Using such a program instead of just sending email from a personal email address greatly reduces the chances of the sender being labeled a spammer and club member emails being blocked by some internet service CCA providers. This actually happened to the current and previous Activity Chairs. After using this program for three months we have been able to confirm that it has been working effectively and messages are reaching all member families, although in a few cases only one family member is receiving the emails. If only one person in a family is receiving Club email, please check the spam filter for the person **not receiving the email**. If that doesn't help, or if you have any other problems with our email sending system please contact Jim Kerber.

One more thing. Contact me with your CCA Activities ideas!

Managed by
Bob Logan

TRIVIA ANSWERS

BY SCOTT FECK

Q. What was the first car to use power operated seats?

A. They were first used on the 1947 Packard line.

Q. When were seat belts first fitted to motor vehicle?

A. In 1902, in a Baker Electric streamliner racer which crashed at 100 mph in Staten Island .

Q. Which car company started out German, yet became French after WW1?

A. Bugatti, founded in Molsheim in 1909, became French when Alsace returned to French rule.

Q. What U.S. production car had the largest 4 cylinder engine?

A. The 1907 Thomas sported a 571 cu. In. (9.2 liter) engine.
