**CCA Friends,**

**I'm not going to talk about the weather, even though it's June and we're setting ugly records!**

**The Future Committee is winding up its work and we expect to have the final two recommendations to the Board of Directors before the special meeting on June 29th. Also at that meeting the Board will be considering the new name for the fall car show in Downtown Chandler. Thanks to all of you who submitted suggestions as we have over 30 names to consider!**

**Of course all that work by the Board means the membership will be voting on these items at the July 6th meeting. And this meeting will be held in our new digs at the Chandler Chamber of Commerce. If you'll be in town at that time, please try to attend.**

**Meanwhile, stay cool, and remember to smile, you're driving a Vette!**

*Marge*

## PROGRESSIVE DINNER 2017

## PROGRESSIVE DINNER Cont...

Hosted by the: Palmer's, Kerber's and Riffel's

What's the gate code again ???

The CCA Progressive Dinner is always a fun event. Attendees started with appetizers at one member's home, then drove to a second member's home for the main course, and finally drove to a third member's home for dessert. This year all three homes were in gated communities requiring access codes for entry, thus the theme was Secret Agent.

south Chandler for the main course.

We started at the Palmer's home in south east Gilbert for appetizers and beverages. After sharing many delicious appetizers the 41 people attending got into their Corvettes and headed to the Kerber's in

Progressive Dinner!

At the Kerber's home everyone shared baked ham, scalloped potatoes, biscuits, cob salad and carrots with a secret ingredient.

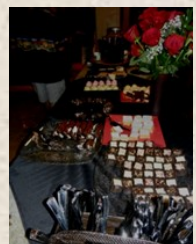

After dinner, everyone gathered together for a quick trip to the Riffel's home in Sun Lakes. The trip is very short if you travel through the Dodson gate and Norm obtained permission to use that route. It did require someone at the gate with

an access card and Dave Lott volunteered to take on that responsibility. A big thank you to Dave for his help.

At the Riffel's home we were treated to a delicious array of cheesecake, brownies, cookies, finger food desserts.

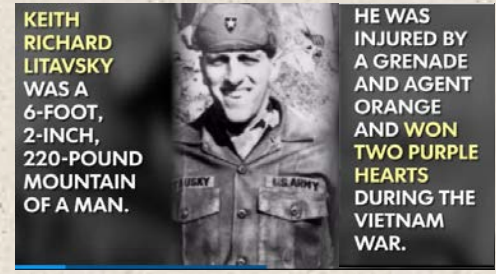

The Palmer's, Kerber's and Riffel's enjoyed putting this event on for our CCA friends and want to thank everyone who attended.

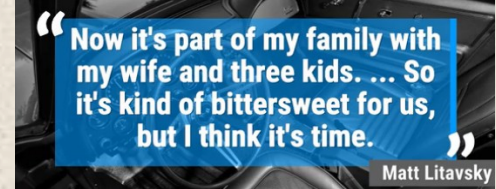

## FAMILY LIFE OF A CORVETTE

### Vietnam War hero's dream Corvette fetches \$675K at auction

**A marina blue 1967 Chevrolet Corvette Coupe bought by a Vietnam War hero and maintained by his son sold for \$675,000 at an Indianapolis auction.**

**The unrestored sports car, with 8,553 miles on it was bought by Carmel, Indiana, resident Gary Runyon at Dan a Mecum's 20th spring Classic at the State Fairgrounds.**

**It was very exciting but also very, difficult to part with the car, said its' owner, Matt Litavsky. “It was all kind of a haze”.**

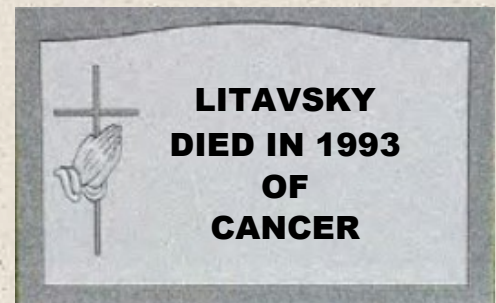

**Litavsky said it was difficult decision to sell the car, but it was time. “Its been a very long year” making the decision.**

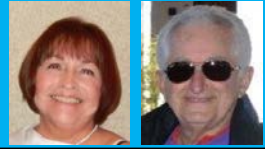

**Runyon, a dealer of rare cars, told Litavsky he would not be selling the blue vette and that Litavsky could come at visit it anytime.**

**“That's good to know that it's there if I need to see it” Litavsky said.**

## TUCSON DRIVER TO PIAZZA GAVI Hosted by Tina & Neil Pivar, Diana &

Another successful mid-week driver was hosted by the Campise's and Pivar's on June 6<sup>th</sup>. Fourteen beautiful Corvettes and their owners enjoyed the day. An easy drive to Tucson was followed by a wonderful lunch at Piazza Gavi. Lunch was plentiful and delicious. After a hearty lunch Gavi treated the group to share portions of their home made (and very good) tiramisu. Mary O'Conner took pictures to share.

The door prize was *fabulous*. Susan Lovino went home with a 5 pick lotto ticket. She said if she won she would buy us all a new car. I checked my garage this morning and did not see a new car.

Keep your eyes open for the next midweek event.

**Bob, you really need to pull up your shorts before going into the restaurant.**

**Door prize Winner Susan Lovino**

**Free Tiramisu Sampler for all!**

## PLASTIC FANTASTIC

Hosted by: Howard and Sheryl Katz

This was our first year hosting Plastic Fantastic and we had big shoes to fill - many thanks to the Mions for all the years they guided our group to San Diego!

We headed out to San Diego early Friday morning, 5/19, with a caravan of 12 Corvettes (Fecks, Frieszes, Golecs, Hitzels, Katzes, Marshes, Mileskiewicz, Mions, Rays, Swansons, Teixeiras, and prospective member Kat Bitter). We had two milestones, first... one Corvette was hauled (by the Niemanns, who hooked up with us on and off along the way) and the other milestone - of all 13 Vettes, not a single one was red!!

Altogether there were 25 of us on the road. Add to that number the Pivars and Yarussos (who stayed with friends and family but hooked up with us over the weekend a few times), which brings a total of 29 CCA-ers in San Diego this year.

After checking in at the Dana on Mission Bay, we gathered for the traditional Happy Hour by the marina. Friday dinner was at the Bahia Cafe, a new spot that we discovered, just west of our hotel. The restaurant was a delightful experience with a special menu for us and a reserved area; the food was wonderful and we had the room pretty much to ourselves the entire evening. At dinner, we had a surprise drawing for 'fabulous' prizes! Norma and Mike were the big winners.

Saturday we arranged for a special local activity, a private two-hour Harbor Luncheon Cruise on the Hornblower Yacht. Special parking for our cars was pre-arranged at the far end of the Navy Pier at the water's edge

and next to the Midway. On the cruise we enjoyed ourselves in our own private dining room with a dedicated steward tending to our every need. A delicious bottomless lunch buffet was served - nobody left hungry! We also had a private deck at the ship's bow, and enjoyed listening to the Captain's narration about San Diego's sites and scenes while we cruised. At the half way point, we held a surprise drawing for 'fabulous' prizes! The Hitzels and the Fecks were the big winners.

Saturday evening most of the group dined at the ocean-front World Famous seafood restaurant. We had reserved tables facing the boardwalk with panoramic views. The food was excellent, and after dinner we were treated to a spectacular sunset.

Since the Car Show was sold out (400 car limit!), on Sunday morning we left the hotel very early to get a good spot in the queue to enter the Plastic Fantastic Show. Although a California group beat us, second in line wasn't a bad pole position. To ensure that no one grabbed our prime spots along the water, Sheryl led an advance party of a few CCA gals equipped with the CCA banners and yellow tape to reserve our coveted spots along the water's edge. After cars were parked and set up for the show, most of us ambled over to Busters in Seaport Village for breakfast.

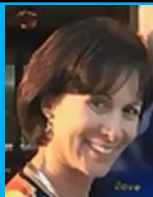

Lunch was at our usual Sea Port Village spot, the Pier Café. We had a very large group that day (Pivars and Yarussos friends and relatives joined us too) so we were seated on the 2nd floor in a room by ourselves to enjoy picturesque views. It was the perfect place for one last round of 'fabulous prizes' and then celebrate David Frieze's birthday and the Fecks' Anniversary.

Our last supper was a memorable dining experience at Phil's BBQ. The day was glorious and flew by too quickly.

In addition to the great event that Plastic Fantastic is, this year was truly special. The weather was picture perfect the entire time: we woke up to blue skies and warm sunny days every day and we were treated to gorgeous sunsets each night.

Hats off to Patty Friesz, who volunteered to make another AWESOME slide show. The show is posted on the CCA web site for all to enjoy! In order to keep viewing time reasonable, she split the long weekend into two separate slide shows. Also posted on the CCA site is a short drone video filmed while flying over the entire event field - a wonderful perspective to see the scale of the Plastic Fantastic Car Show.

## CHICKS LUNCH

Hosted by: Denise Lott & Norma Marsh

**CCA Chicks continue to gather for our regular lunches on the second Fridays of each month. There is, of course, lots of traveling during the summer, but if you are in town, please join us. As we get together, we share our recent and upcoming adventures, along with what's new on the home front.**

**The group meets at Oakwood Country Club in Sun Lakes at 11 a.m. on those second Fridays. All club members and guests are welcome. If you are not on the list to get reminders to RSVP, please email**

## DECADES DAY CAR SHOW

By: Howard and Sheryl Katz

'Decades Day' is a celebration of the last day of school at Desert Shadows Middle School in Scottsdale and is sponsored by the school's English teachers. Throughout the year, students learn about four decades ('50s through the '80s) and to cap it off, several staging areas (stations) inside the school and in the parking lot are designated with specific activities to mark the decades in a unique fashion. The students came dressed in attire from their favorite decade.

Cars are a huge part of this celebration because most of the kids have never seen older cars and have very little understanding of

yesteryear's automobiles. Throughout the day, small groups of students were brought outside in shifts, one shift about every 20 minutes; each group stayed for about 15 minutes.

This year's "Decades Day" Car Show was held on May 23rd. Unfortunately, it was the day after the Plastic Fantastic Car Show which reduced CCA's participation. And, some of our member *yesteryear* cars were awaiting parts, so they were unable to attend as well. However, four CCA cars made it to the Show!

With other Car Clubs and previous year participants that were invited, 18 cars were on display including the following CCA lineup:

'64 Corvette Convertible	Garry Eastwood
'66 Corvette Coupe	Howard and Sheryl Katz
'67 Corvette Big Block Coupe	Brad Ryan
'07 Corvette Convertible	Mark Godina

The day passed quickly, and everyone enjoyed meeting the students and fielding their questions, as well as the excitement when Brad would rev his '67 coupe!

## ACTIVITIES CHAIR REPORT

*By Jim Kerber*

2017 continues to be a reasonably active year for CCA. During May and June we had a fun Progressive Dinner, an outstanding Plastic Fantastic trip to San Diego, an educational Decades Day, and a successful (and very filling) weekday daytime driver to Piazza Gavi in Tucson. The Chicks' Lunches were also well attended during the past 2 months. July and August will be somewhat less busy. We have a Summer Potluck on July 22 and 2 possible drivers in August. September currently has the annual Magical Mystery Tour scheduled for September 22 - 24, and there is room for at least one more event. We have a potential social event and a potential driver for October. November currently only has the Fall Car Show scheduled for November 4, so there are more dates available for activities. The Fall Car Show, which will be in Downtown Chandler for the first time, will be chaired by Mike Terrey and Brad Ryan.

There are still many opportunities for members to sponsor an activity for fellow Club members! So if you have any ideas for an activity, let's talk about it. You can also partner with another member (make it a joint effort) to sponsor an event. We don't want to be stuck in our air conditioned homes watching the summer slip by and miss out on some summer fun. Drivers to Flagstaff, Sedona and other places up north are always great this time of year. Please call Jim Kerber at 480-883-6476, text or call Jim 480-313-6488, or email Jim at [kerbers@cox.net](mailto:kerbers@cox.net) to discuss your ideas for the next great CCA activity!

Early in this year we started using an email program called Mail Chimp for sending out Club email communications. Thus far it is working well and delivering email messages to all members, something that is a challenge when using a home email account. The downside with Mail Chimp is we are unable to send attachments, such as event flyers. I am currently looking at another email system that will allow us to send attachments while avoiding the spam designation issues that occur with a home email account. If we try this system you may notice some changes in appearance of CCA emails. If you have any questions or concerns with our email system, please contact me.
