CCA Friends,

This year has taken off in its usual flurry of activity and I can tell you the Board has been working hard to stay ahead of it all. A lot goes on behind the scenes, but probably the most visible change you'll notice is the website. The entire website has been reorganized, is more user friendly, has much added information and is all wrapped up in a new look. This is a work in progress, as it always will be for a website, but Howard Katz has done a TREMENDOUS job in overhauling it! I encourage you to take a look at both the public pages and the Members Only section.

The last few years some of our members have been working at the Russo and Steele car show held each January at the Salt River Fields. In appreciation, Russo and Steele makes a donation to CCA after the show. This year Bruce Mundy, Al Yarusso, Ray & Pat Jenkins, David Edgington and Roc Campise all donated time to work at the show and had a great time doing it! CCA recently received a check from Russo and Steele for \$1000, so thanks to the six of you for your volunteer hours!

And finally, one more group is working behind the scenes to recommend a 3-5 year plan for the club. The CCA Future Committee is looking at such things as communications, membership size, activities, cost/subsidies, sponsorship and car shows. The committee needs your help and soon you'll be asked to participate in a member questionnaire. I would encourage all of you to complete the survey and let your voice be heard. It's the members who respond who'll help shape the club's future.

And while you're at it, smile, you're driving a Vette!

*Marge*

## Saguaro Lake Vette Brunch Hosted by David and Patty Friesz

The Vette Set Diners tried a different venue in November. Pay and Dave Friesz planned a min-driver for the participants of eleven to Saguaro Lake for a Sunday Brunch on November 20th. W met in East Mesa and caravanned along the photographic McDowell Mountains to the Lakeshore Restaurant in the Saguaro Lake Marina.

The weather looked threatening but it held off and warmed up so we could sit out on the patio to enjoy the views of the Lake while we cowed down on yummy omelets and fluffy pancakes. And of course, there were Mimosas and Bloody Mary's too. All had a great time getting together and becoming better acquainted with new members.

## CHICKS LUNCHEONS HOSTED BY: NORMA MARSH & DENISE LOTT

Our CCA Chicks continue to meet for lunch each month on the second Friday. We meet at 11:00 a.m. at the Stone & Barrel restaurant in the Oakwood Country Club. All Chick members and prospective members are welcome to join us. If you are interested in receiving a monthly reminder, email: [njoymarsh@aol.com](mailto:njoymarsh@aol.com).

Most of our gatherings find an opportunity to celebrate an event. For January it was a birthday and February the focus was Valentine's day. The surprise February entertainment was Sheryl Katz's "Four in a Chord" barbershop quartet bringing their harmony to the Valentine theme. Not only did they entertain, but they also brought a lovely yellow rose for each of the lunch attendees.

Come join in our social afternoon on the second Fridays whenever your scheduled permits.

## CCA AWARDS BANQUET HOSTED BY JOE AND JENNIFER HITZEL

CCA Awards Banquet January 2017

Fantastic! Fun-filled! Fabulous! Food! Friends! Festivities!  
Celebrating CCA's 41<sup>st</sup> year!

We gathered at the Crowne Plaza on a rainy Phoenix Saturday to celebrate with our Corvette friends. Cocktail hour included formal and "photo booth" pictures. We enjoyed delicious entrees of filet, salmon, and pork tenderloin, followed by a tasty dessert of white cake with raspberry filling. Terrific DJ Simon who provided music, trivia, dancing, and games for an enthusiastic audience. There was a peaceful transition of **presidential power from Jim Enriquez to Marge Rhode.**

We recognized the outgoing and incoming Board members as well as members who have contributed to the success of our club, including all of those who hosted events in 2016 (**1<sup>st</sup> place Lott**, **2<sup>nd</sup> place Enriquez**, **3<sup>rd</sup> place Rhode**).

Other important recognitions included Mike Terrey for his outstanding service over the years at Thorobred Chevrolet; Jim Kerber for resolving our website's technical problems; Jim Enriquez for serving as CCA President for a total of 5 years. Then onto more **dancing** and a couples silly scavenger hunt won by the Bassett's.

**CAN'T KEEP UP I SEE →**

HOSTESS

Finally ended the evening with 2 raffle prizes won by Pat Jenkins (did you notice she was wearing a skirt?) and Scott Feck. As Bob Swanson accurately described, people will do anything for a little blue ticket! Thank you to our hosts Joe & Jennifer Hitzel for a wonderful evening! And thank you to their helper Janet, Jennifer's sister; Janet lives in Pittsburgh and her husband owns a yellow C7 named Franco Harris.

## Packages From Home 2017

Thursday January our annual packing excursion. Whole Foods (101 ran into significant result of an Elliot. Despite the cars taking detours, everyone new Packages from 52<sup>nd</sup> Ave in 10:30AM new facility is much better organized to worthwhile

26<sup>th</sup> started out cool for Packages from Home Those leaving from and Ray) immediately traffic congestion, the accident at the 101 and delay and a couple of unplanned sightseeing managed to get to the Home location, 5643 N. Glendale, by our appointment time. The larger, brighter, and accomplish this very endeavor.

We were all given instructions and tasks to accomplish. The center became a flurry of activity as we began sorting items and packing boxes at a furious pace. This year we included in our boxes a letter expressing our gratitude to the troops and a CCA group picture. Thank you, Sheryl, for formulating and providing the letters.

The following CCA members were feverishly working: Howard and Sheryl Katz, Guy and Norma Lombardo, Bob and Barb Bassett, Sandy Duhaime, Pat and Ray Jenkins, Bob and Carol McDougal, Marc and Kathy Teixeira, Brad Ryan, Gil and Judy Schmidt, Al Yarusso, Jim and Cis Eberst, and Dave Lott. By the end of our Party at 12:30PM, our group had managed to pack a CCA two-hour record of 78 boxes. After thanking the staff for allowing us to participate in this very fulfilling activity, we took a couple of group photos, and departed.

Sixteen of us went for lunch at the Desert Rose Pizza and Gastropub at 5729 N. 56<sup>th</sup> Dr. in Glendale. I don't believe anyone of the group had previously been to this location. The food was great, the portions significant, and the staff was very attentive.

Thank you to everyone who participated and I look forward to our next packing party.

## SEVENTEEN-YEAR ODYSSEY

By Pam & Bob Swanson & Gary Porter

In 2000, we bought our first blue Corvette (Nassau blue). Of course we wanted a special, clever license plate to go with the blue car. But, the license plate we wanted was already taken, including all variations of the same saying. Then in 2010 we bought our second blue Corvette (Jetstream blue). Again we tried to get the elusive license plate, but again it was taken. Along comes 2014 and we bought our third blue Corvette (Laguna blue). We tried for the license plate again, with no luck.

In 2015, we planned a driver to Prescott with Jim & Patti Kerber. Our first rest stop was just outside Wickenburg. When we exited the DQ/gas station - there it was, a Nassau blue 2000 Corvette with OUR plate, in the parking lot. Turned out to be Gary Porter's Corvette and he was on the driver with us. We asked him how he managed to get that license plate, as we had been trying to get it for 15 years. He said it was just available when he plated his car! Oh well...

In the two years since, we've and he told us he had wanted a but it was not available, so he told the license plate he wanted available after one year. So Bob twice a month, for a year, to become available. We Gary and we both would be

Long story short ... when Gary wasn't. So Gary just renewed in his words:

talked to Gary about the license plate different license plate than this one, took this license plate instead. He was was not on a car and that it should be checked on-line at Service Arizona waiting for Gary's license plate choice planned to get it and then trade with happy.

went to renewals available. It still the license plate he had and left. Now,

"After I left the MVD, I simply could not accept the explanation I was given as to why my plate choice was not available. I decided to call the Special Plates Division to inquire why after all this time it still was unavailable. After all, no one was using it! A very nice woman named Diane said it was still reserved by a local company who had not yet released it. After our phone conversation, she took it upon herself to call this company and ask if they were still interested in retaining it, to which they said, NO. She then called me back to tell me the news and made arrangements for us both to receive our plates." See the photo below.

We want to thank Gary for staying on top of the MVD. We are just amazed that a state MVD employee took the extra time and effort to reach out for Gary, which in turn got us the plate we have wanted for 17 years.

BLUBYU was Gary's original license plate. He wanted BLUEBYU on a Freedom license plate. He got the license plate he wanted and we ordered BLU BY U on a Freedom license plate. Does this mean all our future Corvettes will also be blue? Time will tell!!!!

## GOURMET COOKING SCHOOL

Hosted by: *Barb and Bob Bassett*

CCA participants settled into their counter chairs to get the first glimpse of what they were about to create that night. Keep in mind, several of us were not gourmet cooks, or not cooks at all, but the food paired with various wines were well within our purview. Classes are hands on.

Barb of course gave us a crash course in wines in general and how best to determine which wines would pair best with the menu we were about to produce.

The key to this event is the menu which I am preparing to share with you. First of all, we broke into groups with each group assigned to one part of the menu.

### (Our Menu)

**First Course:** Crostini With Fig Jam & Brie—Mixed Greens with Croutons & Fresh Herb Vinaigrette-Served with Santa Barbara Landing, Riesling 2013.

**Entrée:** Grilled Rib-eye Steak with Roquefort-Rosemary Butter-Balsamic Glazed Potatoes & onions-Curry Scented Roasted Vegetables-Served with Black Mountain Vineyard, Merlot 2013.

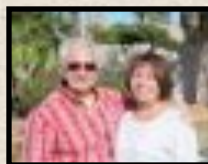

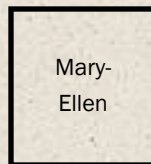

**Dessert:** Candied Pear Tart with Pistachios.

Advice & Secrets:

- The best advice anyone ever gave about cooking: "Taste Everything".
- The best advice about cooking is keeping it simple.
- To remove food odors from your hands, rub your hands on stainless steel.
- Success is read through your recipe and have all of your ingredients prepped and tools in place before starting to cook.

## CCA GOVENORS REPORT BY *MIKE TERREY*

I look forward to the upcoming year and representing CCA with the Road Runner region, it will be fun Corvette Clubs in the region.

### WHY NCCC?

There are many benefits to be a member of The National Council of Corvette Clubs, as we start a new year I would like to summarize the history and benefits. The National Council of Corvette Clubs, Inc. (NCCC) was founded in the United States as an all volunteer, non-profit organization in 1959 by a small group of Corvette/enthusiasts. In 2009 we celebrated our 50th Anniversary and look forward to many more years of fellowship. The purpose of NCCC was (and still is) to promote interest in Corvette ownership and operation, to publish information on the use and operation of the Corvette and to establish an organized effort to encourage others to participate in the enjoyment connected with the use and ownership of the Corvette-America's Sports Car!

In the early days, the number of Clubs was rather small with all of them being located East of the Mississippi. Today, there are about 250 Clubs in 16 Regions both East and West of the Mississippi. The membership in NCCC is comprised of more than 19,000 Members and is the largest non-profit, all volunteer Corvette organization in the United States. The Roadrunner Region of the National council of Corvette Clubs is comprised of 12 clubs located in AZ, NM and El Paso, Texas with a total of about 900 members.

Some of the Benefits include:

\* Events \* Insurance for Club \* Member Discounts \* Charities and Grants \* Annual Convention \* Blue Bars official publication \* NCCC Website

## BIOSPHERE DRIVER HOSTED BY *McDougalls & Loss*

We had a chilly morning start as we gathered at McDonald's on Riggs Road to head down Route 87. With a leisurely drive on our sunny morning, 15 Corvettes arrived at the Biosphere in Oracle at 10:00 a.m. Our special guide, Eric, was ready to share the history and current uses of this amazing environmental research facility.

Gathering outside with an overview of the structures to begin, we were given the background on the construction and the goals of the initial project. Then we wandered inside, peering through a tropical rainforest, looking down on an ocean reef, walking through grasslands, and visiting in desert terrain. There are not many places where all of this can be accomplished in an hour and a half. Eric did a great job of briefing us on the many accomplishments brought about by the two-year experiment and subsequent studies.

Wrapping up our visit, lunch was on our schedule. Nonna Maria's Italian restaurant opened just for our group, and we had a limitless pizza and salad buffet. Carol McDougall then brought out her "award-winning" golf balls, and a souvenir prize was won by one of the men and one of the women. Coincidentally these were won by one couples, guests John and Tina DeCamp.

That was the wrap-up of our scheduled events, but some of us continued on. A group of ten couldn't resist the attraction of a large piece of pie at the highly-recommended Oracle Patio Café. We caught the café staff just before closing and got slices of apple, peach, or blueberry pie with ice cream or whipped cream.

Now that we were really stuffed, we continued on down the road to the Oracle State Park and a visit to the Kannally House. This is a four-story house from 1930, at the top of the park, with unique architecture. It was a full day of fun with our club during one of those special, sunny, Arizona winter days.
