CCA Friends,

When I look back on this year in club, I'm struck by how much was accomplished! The Future Committee was appointed in January and worked into June to offer four recommendations that were ultimately approved by club members:

- Adopt the Chandler Chamber of Commerce for General Membership meetings
- Move the fall Chevy car show to Downtown Chandler
- Define the Activity Team concept to address the growing number of members and set guidelines for future review
- Confirm Earnhardt Chevrolet as the club sponsor and understand the relationship is a work in progress

Then in July we started looking at the corporation status of Corvette Club of Arizona, Inc. as concerns the IRS. Unfortunately no records were ever found in the archives for communication with the IRS since the present entity was incorporated in 2002. The club has voted to terminate the present corporation and setup a new corporation, Corvette Club of AZ, Inc., as of January 1, 2018. The Arizona Corporation Commission has already approved the new corporation and the application to apply to the IRS for tax exempt status as a 501 C (7) social club will be mailed the first week of January.

In addition to all this, members participated in 9 drivers, 2 car shows, 2 highway cleanups and 28 other events, This is an ACTIVE club and I'm so glad to be a part of it. Special thanks to all those who organized and hosted - you are the heartbeat of this group!

Looking forward to even more fun events in 2018!

2017 Chevys in the Park

Mike Terry Chair and Brad Ryan Co-Chair

Overall, CCA's new venue, Chevys in the Park (re-named from Earnhardt Chevy Stampede & Thoroughbred Thunder) was a success. Although the turnout was short of last year's attendance at Earnhardt, the event remained financially in the black with a very positive outlook for next year's show.

There were many new challenges that had to be overcome by moving this venue from Earnhardt to Downtown Chandler including: working and meeting with Chandler City officials for the required permitting and road barricades, working around the new street construction on Commonwealth Avenue, devising new car parking layouts by car class to match the available parking slots, competition with several conflicting Car Shows on that same day, and some missed advertising opportunities.

NOV 2017

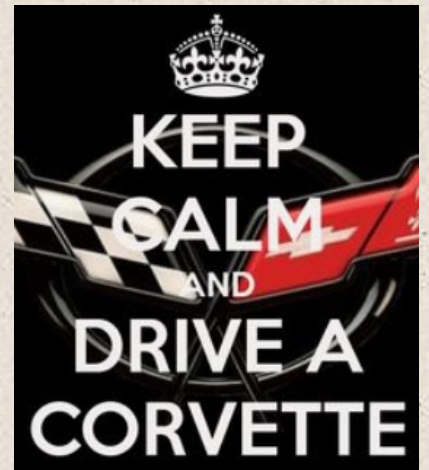

A special thanks to the Downtown Chandler Community Partnership (“DCCP”) who arranged to waive the Park fee and promoted the show to the local restaurants and businesses

“At mid-day of the show, we canvassed most of the merchants in the park and were told that their same-day traffic had increased due to the Car Show which was great news and a Win-Win for all involved.

To avoid the conflict with other car shows in November, we are proposing to have this show a week earlier at the end of October. We will also be adding the position of “Car Show Marketing and Advertising” to assure ample exposure with coverage in various Media for the Show.

CCA Christmas Party *Hosted by: Joyce and Norm Riffle*

Hosts:
Norm & Joyce

Twas seventeen nights before Christmas when
all through the house, all the members were
stirring, including my spouse.

The presents were stacked on a table outside,
in hopes that my number soon would arrive.

The members were chatting while sitting
around with visions of presents made
excitement abound.

When out on the street there rose such a
clatter, Norm sprang from his lounge chair to
see what was the matter.

Away to a window he flew like a flash, He threw
open the door to make a grand splash.

The moon hit the street on a very clear night,
gave a view of the Corvettes clearly in sight.

When what to his wondering eyes did appear, a
bright yellow Corvette without any reindeer.

With a little short driver, so
lively and quick, I knew in a moment he was
Howard St. Slick.

He spoke not a word, but went straight to work,
and filled his wine glass, then turned with a
jerk. And raising his finger to check the night
air, decided this party would be a suave de fare.

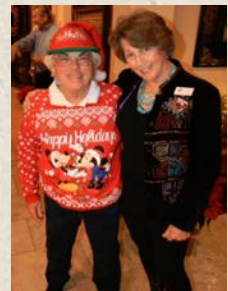

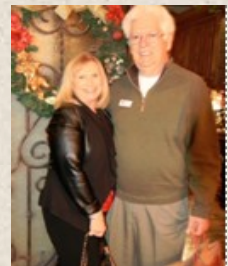

More rapid than eagles the crowds they came,
And Norm whistled and shouted and greeted
them by name.

Now Bob and Beverly, now Phil and Sandy, and
Jim and Esther on Scott and Diane, to the back
on the patio and get to the bar, sit down and
relax, look up, it's the Christmas Star.

But, I heard Norm exclaim as he went back
inside Merry Christmas to all, just have a fun
night.

TRIPPY TRIO... PLUS DRIVER

Hosted by: Sheryl and Howard Katz

"Oh what fun, it is to drive..." With 29 cars, the **Trippy Trio...Plus!** was a blockbuster event to kickoff the 2017 Holiday season. A total of 56 of us, including two guests, participated in the biggest CCA Driver of the year on Saturday, December 2nd. The weather that day started out unseasonably chilly and a few folks drove through a downpour before arriving at the Meet Up. To start our day, there were some threatening skies and a few sprinkles drove us to commence the Driver Meeting a few minutes early to protect our portable PA system and get into the cars before teeth started chattering.

The caravan headed north east towards the small patch of blue sky off in the distance, and as we drove to Bartlett Lake, everyone was treated to some dramatic scenery when the clouds started to clear and the weather warmed up. The windy drive through the Tonto National Forest Mountains down to the Lake made drivers smile wide, and offered spectacular scenery.

Upon arriving at Lake Bartlett, a slow loop was made to see the Marina as we headed out to the first stop. Our caravan of cars was so long it was loads of fun waving to each other as we looped past one another.

After a quick pit stop, photos and a stretch break, we enjoyed some breathtaking scenery as we drove through more windy and hilly terrain on our way to Rattlesnake Cove. Luckily, we were the only ones there at that hour and enjoyed the triple picnic table Ramada area, to hang out for a few minutes to chat and snack before the big surprise, Eric Norman, a National Resources Specialist from the Forest Service. Eric provided some general information about Bartlett Lake and entertained questions.

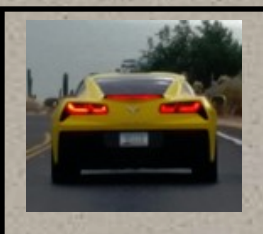

Afterwards, we went a few more miles through amazing scenery for another loop ride, to see Bartlett Flats and SB Cove. Oh what fun, it is to drive..." more waving as we passed one another. Then, it was onward and upward, for the gorgeous ride out of the Bartlett Lake area, to lunch. The skies had cleared and the weather was warming up, quickly getting unseasonably hot.

Lunch was at the Dynamite Grille Restaurant in Troon North Golf Club and our Party Room had two walls of windows offering beautiful desert vistas. Inside, Christmas was in the air: the room was lovely with a welcome table for name tents/lunch entrees, round tables for six, and tables for the Christmas Cookie Exchange. After a relaxing lunch, we moved some of the tables and chairs

aside to make room a group photo and then commenced the Cookie Exchange. What an incredible array of tasty delicacies! There were so many extra cookies, that we opened it up for everyone to partake. Even after preparing a plate for

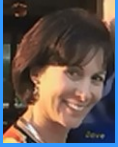

the Fecks, Mions, and Baldacchinos who left to help get the Fecks' Open House ready, there were still some cookies to share with the wait staff.

Afterwards, the majority of the group piled in our cars and headed to the Fecks' beautiful home where we were treated to a fabulous Open House! Their lovely abode offered more breathtaking desert and mountain scenery and there were many places to sit and chat. It was indeed the 'Plus!' - a perfect way to end a wonderful day together. Thank You Scott and Diane!

And, last but not least, stay tuned... a slideshow is forthcoming - hopefully, by the end of the year!

It Was "One of these nights!" Eagles Tribute Band

Hosted by: Denise Lott

What an amazing performance by this group giving us so many of the Eagles' hits! Starting with "Take It Easy" and ending with "Hotel California," there were so many hits packed into the evening. In a comment by Dave Lott, who had met and provided security for the group during their Houston performances in the early days, Dave thought these performers were every bit as good as the originals.

We began our evening with dinner for 30 CCA members and friends at the Stone & Barrel Tapouse at Oakwood Country Club. All meals and drinks had been preordered from the full menu and submitted in advance. When the gang started arriving at 5 p.m., checks were already prepared and the meal paid for at that time. Drinks came in promptly at 5:15, with meals served at 5:30, leaving us plenty of time to dine and socialize before making our way across the hall into the ballroom for the 7:00 p.m. concert.

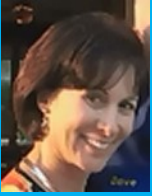

Did you know that the Eagles have sold over 150 million records? Their Greatest Hits album (1971 – 1975) is the top selling album of the 20th century with more than 42 million records sold.

I can safely say that *everyone* left feeling high on the music. It definitely was "One of These Nights."

CCA CHICKS MONTHLY LUNCH

Hosted by: Denise Lott & Norma Marsh

*Next lunch: **January 12th & February 9th***

All CCA ladies are invited to join us for the monthly CCA Chicks lunch at the Stone & Barrel Taphouse, Oakwood Country Club, in Sun Lakes. We meet on the second Friday of each month at 11:00. Guests and prospective members are welcome.

Please RSVP to Norma Marsh (njoymarsh@aol.com). She will also email a monthly reminder. The reminder includes directions to the restaurant.

ACTIVITY DIRECTORS REPORT

Activity Director: Jim Kerber

Crosstalk Activities Report 12/26/17

November and December have been busy months for CCA. November started out with our Membership Meeting on November 2, a special meeting where the 2018 Board of Directors was elected. Two days later we had our Fall Car Show. While CCA has been doing a fall all Chevy powered car show for many years, this show was in a new venue in downtown Chandler and named **Chevy's in the Park**. **By all accounts this was a successful show, especially considering that this was a new location for the show.** A big thank you to Mike Terrey and Brad Ryan for all their work that made this show a success in its first year. Our highway cleanup project, organized by Tom and Nancy Hill, took place on Saturday November 18 following the traditional before work breakfast at Hoosiers. December kicked off with the Trippy Trio Driver organized by Howard and Sheryl Katz, with help from Scott and Diane Feck, on Saturday December 2, 2017. **Twenty nine CCA Member and guest's cars drove to Bartlett Lake, went to Lunch at Troon North, participated in a Christmas Cookie Exchange, and then enjoyed a relaxing afternoon at Scott and Diane Feck's home.** One week later, on December 9, Norm and Joyce Riffel hosted 68 Corvette Club of Arizona Members for the annual Christmas Party at their home. The food was outstanding, the camaraderie was great, and the traditional gift exchange was as lively as ever. The last 2017 activity was a Tribute Band Concert in Sun Lakes on December 14 organized by Denise Lott.

January is right around the corner, and our first CCA activity in the New Year will be a Game Night organized by Rhonda Deacon on January 6, 2018. This is an ongoing program coordinated by Rhonda. If you are interested in participating, contact Rhonda. Next will be the monthly Chicks Lunch on January 12, 2018 organized by Denise Lott and Norma Marsh. The next day the CCA Annual Banquet will be held at the Hilton on 2929 West Frye Road in Chandler. Several Members have stepped up to help with the Annual Banquet and it promises to be a fun event celebrating our outstanding club. Later on in January there are plans for a cooking class and a Packages from Home Packing Party in late January, both organized by Bob and Barb Bassett. On January 31 there will be the last Tribute Band concert organized by Denise Lott.

2018 will witness a change in the CCA Activities area. The Activities Chair position has changed to Activities Director, and the 2 Board Members at Large positions have been changed to Activity Coordinator positions. This will devote more resources to the activities area. Bob Logan was elected in November to Activities Director, and Esther Enriquez and Roc Campise were elected to the Activity Coordinator positions and I wish them all the best. The new Activities Team will produce many exciting CCA activities in 2018!

One more thing. Contact Bob, Esther or Roc with your CCA activity ideas!
