CROSSTALK

Official Publication of the Corvette Club of Arizona

Volume 16 , Issue # 5

Celebrating 47 Years 1975-2022

From the Prez

Tom Palmer

Dear Members,

Halloween came and went and we still have a lot of events coming up. We had approximately 130 cars show up for Chevys in the Park, so we should raise a good sum for Packages From Home and for our club.

The MMT to Billings/Hawaii/Salt Lake City.....ended up in Lake Havasu. They all had a fun time on a great trip. Many kudos to the hosts, Campises and Lovinos.

When it came time to establish a nominating committee and get nominations/volunteers for next year's club Officers & Volunteers, I was flabbergasted when the entire board & volunteers self-nominated for next year. I can't say enough about this group, because they've all contributed and helped make decisions and spent time and worked hard for our club. Thank you.

After the large November member meeting at the Chandler Downtown Library, we'll be meeting at Floridino's for the foreseeable future. Thank you for your patience during the venue journey (we're relieved too).

There are a lot of events coming up, so get out and enjoy them with your fellow club members!

Have a Merry Christmas/Happy Holidays and a Happy New Year.

Yours in vetting,

Tom

From the Editor Kevin Deihl

Hello Everyone! It was great to see so many of our members who volunteer their time and talents to help put on a classy car show. I hope it makes you proud, as it does me, to be a part of an organization that plans, executes and enjoys the car show. It is part of our major fundraising efforts to support our military personnel that protect us each and every day. Thank you all!

It is the best time of year to be residing in Arizona with the cooler temperatures and the holidays around the corner. Keep those who are less fortunate in your thoughts as this can be a tough time of year for some.

There is BIG news contained later in this edition, I hope you'll be as excited about it as I am!

Best wishes and Happy Holidays to All! *Love, Kevin*

Vice President's Report

Ron Gliot

Greetings CCA Friends!

It is that time of the year when many of us have put away our Corvettes in storage for the upcoming winter months... oops, I still thought I was back in Illinois! As we move into cooler months there are even more opportunities to attend or host an event, so don't miss out on enjoying many of CCA's planned events or better yet, plan one of interest to you and spread the fun to other members! Let's remember to stay focused on fun, as that is what I club like CCA is all about.

As we get into November let's all remember to take a moment to be thankful for the many things in our lives. Family, friends and in Arizona the ability to enjoy the Corvette hobby year-round. We sometimes may take it for granted, but in many places from November to April there is no driving season!

I would like to take a moment to thank this year's Board. I truly believe we have a Board that functions very well together, and we have managed 2022's business with few issues or problems. and I look forward to working with this Board once again for 2023.

Save The Wave.... Ron

Activities Director

Dom Lovino

From the Activities Directors Desk -

It's hard to believe that we are near the end of 2022. CCA has had 41 events so far this year without counting membership meetings and board meetings. Two of our biggest events have just completed. The Magical Mystery Tour where 16 cars with 32 members and 1 guest traveled for 3 days of fun, food, drink, and comradery (see MMT article in this edition). The Chevys in the Park in Chandler Park had close to 100 cars preregistered this year with the usual additional 30 cars with day of show registration. This year, there is a new addition of 10 gift basket raffle prizes. Thank you so much for the generosity of the many members who donated items to these baskets. Thank you to the Chicks lunch for packaging and wrapping the baskets. And let's not forget the Hagan's Halloween Costume Party to round out October.

We have two months to go and there are still 8 great events you can attend. November brought the Progressive Dinner on Nov 5th, hosted by Sue Henry for appetizers, Denise and Dave Lott for the main entree, and Susan and Dom Lovino for dessert. Brookdale Ray Road - Senior Living is hosting a small 5 to 10 car show for Veterans Day, on November 11. The Chicks lunch has expanded to include a separate lunch with the Roosters. The Marine Ball at the Oakwood Country Club ballroom on November 12, to honor all veterans of all service branches. A dinner show at Barleens is being hosted by the Pivars on November 17. The Gaslight Theatre in Tucson hosted by the Lombardos and Campises on November 20. Thirty members are attending this event. The last couple of times we went were fantastic.

December brings us back to Floridino's for our membership meeting. We close out the year with a Thank you party for all those that hosted an event in 2022 on December 11. Finally, we celebrate the Holidays with the Christmas Party on December 18 at Ocotillo Golf Club. This year's event will surpass last year's party. I hope to see everyone there.

Thank you to all the hosts and members attending these events. You have made 2022 a great year for Corvette Club of Arizona. - Dom

*NCCC event	** Non CCA event	***Vette Set Dinner – Must first be on mail list for invite!!!!

NCCC Governor's Report Ray Jenkins

The All Chevy Show went well. The MMT to Laughlin Springs went well. The boat ride on the river was excellent. We stopped at Kingman to visit the Museum and then went across the street to Mr. Dz Diner for lunch.

We held the Governor's meeting at the Golden Corral in Mesa. All is going well for the Roadrunner Region, so save the wave for the future!

Ray Jenkins

CCA NCCC Governor

Membership Report Mark Godina

Welcome back home Howard and Sheryl Katz, former members of CCA, we missed you.

The Katz reside in Sun Lakes and are the proud owners of a beautiful 2014 yellow coupe and a 1966 blue convertible.

Howard is a retired Engineer and Sheryl was retired Corporate .

There hobbies are: Howard, Electronics, Old Corvettes and Computer Technology. Sheryl, Singing, Volunteering and Corvette activities

The car show was a success with the 4 new perspective members helping out parking for 1 of there activities.

Bill Kell has completed all his activities and member meetings and will be filling out his membership application to be reviewed by the Board.

Two new people talked to me at the car show and showed interest in becoming CCA members.

We have some current members that will not be returning next year, sorry to see you leave.

CCA Driver to Prescott

Deihls

With temperatures in the Valley still in triple digits, it was a Great time to enjoy a drive to Prescott for a day, weekend or more for 11 CCA members and a guest that joined Jennifer and me in Prescott for the All Corvette Show put on by Prescott Vette Set Club. Heinz and Eva Platten, Gary Radvany and Dennis and Charlotte Hughes headed towards Prescott on Thursday. They enjoyed a route planned by the Plattens that took them through Globe, by Roosevelt Lake, and through Payson before arriving in Prescott Thursday evening. Dave and Patty Friesz left Mesa on Friday and arrived in Prescott Friday afternoon so that they could enjoy dinner with friends. Members Bill and Mary Ellen Hayden, Gary Radvany, Ron Brennan, Dave Woods and his guest Cathy Jensen joined Jennifer and me as we caravanned together towards Prescott. Of course what would a CCA adventure be without food? We selected a location for lunch that I don't believe anyone had been to before, The Hassayampa BBQ in Wickenburg.

Everyone seemed to enjoy the food and atmosphere there. It is located in Downtown Wickenburg.

Prescott

Off to Prescott we go! We headed up Hwy 93 and then caught Hwy 89 towards Prescott. As you can see in the picture that Ron Brennan was able to capture from his C8's onboard camera, the fun was about to begin. The road going into Prescott is full of tight, 2-lane winding roads, just made for Corvettes! However, as you climb to altitude and it getting to be mid-afternoon, here come the clouds. As we arrived in Prescott, it had already started raining. And man did it pour that day. So much so that we needed to cancel our dinner plans for the evening as we had reservations for 12, but we were to be seated outside. After viewing our seating area at Playa Azul Restaurant, we decided it would be best if everyone made their own arrangements for the evening as getting a table for 12 that evening wasn't going to happen. No worries tho, we are a resilient bunch and dinner was enjoyed at different locations. After some pretty heavy rain that evening, the skies began to clear, just in time for the big show. Prescott Vette Set puts on a very nice All Corvette Show, which attracts people from California, Nevada and of course, Arizona. This year included cars from North Carolina and Oregon, with a total of just over 300 cars. It is a beautiful location with temperatures in the 70's. CCA had 4 cars entered into the show. We met together and were able to park together, right on Whiskey Row in front of the Hotel St. Michael. If you have never been to this show before, give it a look [here](#). Dave Friesz and their C8 can be seen in the video at approximately 2:10, and with me walking in front of the videographer at 45 seconds into the video. Our very own Dennis Hughes put together this collection of the event. Please make sure you thank Dennis for the work he does in putting together his photos of all the events he attends.

Prescott Vette Set Car Show

What a beautiful day for shiny cars in an historic town with perfect temperatures and blue skies! These next 2 pictures were taken from the Palace Saloon's Balcony. From the picture on the left, how many members can you count and how many are actually waving? The correct answer will follow.

With so many restaurants and watering holes available, it was like a smorgasbord of whatever you wanted to eat or drink. It seemed tho that the Ice Cream Shop close by was a favorite stop. There was plenty of time to relax in the shade as the show ran until 2 pm. Although no hardware was transported home by our group from the show, I thought to myself, does it really matter? We get to learn more about our fellow members and enjoy their company in a great location, (much like our car shows). After the show, the remaining members headed back to their lodging and took a rest. I know I did, anyway. There was dinner at 5:30 to get ready for later. Nine CCA 'ers dined at Murphy's Restaurant on Saturday to wrap up an Awesome weekend.

Thank you to all of our fellow members that came along with us as we thoroughly enjoyed everyone's company and time spent in Prescott. Join us next year for good food, great weather and more fun! Kevin

Ps. The correct answer was 5.

Magical Mystery Tour

The Campises and the Lovinos hosted this year's Magical Mystery Tour (MMT). MMT, three days of planned events with the destination unknown to all attending except for the hosts. Vie Queva Casino was the starting point this year. The morning's weather was Sunny (just barely as the sun had just risen) and a chilly 56 degrees. Fourteen Corvettes, one tail SUV with twenty-nine members and one guest (Sue Henry's cousin Diane) gathered at 6:30am on Monday, October 24th for the 6:45am drivers meeting. MMT started with drawing cards for a poker run as the MMT attendees received their first set of directions, a map and a short history of the first stop of MMT. With Fifteen vehicles we decided to have two groups of cars to help keep us together (Lovinos as the group leader one, Hagans group leader two, and Campises as the tail of group two). We tested the new radios and then embarked on first leg of MMT shortly at 7:00am.

Our first stop was Wickenburg, AZ. We stopped to give our legs a stretch. It was too early for DQ, although some probably could have wanted a taste or two of ice cream. We met the rest of the MMT party, the Gliots and Tom Marks. We decided, since we were driving all day, we didn't want to add an additional two plus hours of driving for them. In case you haven't heard Ron Gliot sold his Corvette just days before MMT, so the Gliots were driving their Pickup for MMT. They became group one tail. After a 20-minute planned rest and snack, the next card was drawn for the poker run. Directions, map and the short history of the next stop was handed out. We handed out our lunch menu which gave four choices. We asked the menu choices to be returned at the next stop. A clever picture of the restaurant on the menu did not include the restaurant's name adding to the mystery of where we were eating lunch.

Susan had collected the menus and thought she just needed to hand them over to the restaurant. However, the restaurant called and wanted the orders so they would be ready for our arrival. Susan went through the orders to total the menu choices and special orders. She emailed the restaurant as we left Wikieup. Thank goodness for modern technology and the fact we had cell service.

Our third stop was Kingman, AZ. We stopped at the Dambar Restaurant and sat in the Andy Devine room. Our orders came out shortly after our drink orders. Everyone enjoyed the food and atmosphere of the restaurant giving patronage to Andy Devine as Kingman became his hometown. After the next card draw, we handed out the next directions, map, and history. After lunch most of the group decided to gas up their vehicles. We had some confusion as we didn't pick the best gas station to support the number of cars needing to be refueled. The saving grace for us was the traffic light to make an easy left turn to get us back to I-40 highway.

MMT

Our next stop was Oatman, AZ. If you haven't been to Oatman, it is almost a ghost town. It was founded as a mining town. Today, it survives due to tourism. One of the main draws are descendant burros from the mining days that freely roam the streets. They are friendly and looking for burro food. Most of the burros have been given names. You need to be careful on Oatman Highway as the burros are on the road to Oatman. We slowed down several times and we saw at least 10 burros standing in the middle of the road before entering Oatman. As you enter Oatman from the north, you drive on 8 miles with 191 curves on the old original Route 66. This road is called the Arizona Sidewinder. The first time we drove this road planning the trip, I wondered who had thought this was the best and easiest way to get across

Arizona to get to California? We were totally surprised as to the number of tourists in the town as we were expecting a "ghost town" on a Monday. We luckily found some parking at the south end of town and close to the rest rooms (of course). We spent an hour walking around town checking out the town and gift shops. There is a hotel that Clark Gable and Carol Lombard stayed for their honeymoon. We planned a photo op at the Side Winder sign. Our final directions, history of the final stop were handed out and final card drawn.

MMT

It's Lake Havasu, AZ and London Bridge! I think some were expecting that we were heading to Las Vegas, NV, but the turn south to Oatman probably surprised them. We headed south on old Route 66 and missed the turn and ended up on AZ 153. We quickly determined with the navigator and GPS that we could stay on AZ 153 and get back on track to our original directions. It would have added about an hour in travel. However, one of the cars was low on fuel and so we turned around in the middle of the road after a mile and a half. We retraced our way back to the original route. Lesson learned, when planning the trip, we originally drove from Lake Havasu to Oatman. We should have driven from Oatman to Lake Havasu and we would have seen the fork in the road and stayed on Route 66. We arrived at the Holiday Inn Express at around 4:20pm. Our rooms were ready. Susan had arranged to have everyone checked in before we arrived. Room keys were handed out in the parking lot. Everyone enjoyed not having to check in, but they were wondering why we were not taking their luggage to their rooms for them (high expectations).

We planned a pizza party in the breakfast area for 6:15pm. We enjoyed pizza, salad, and cookies with beer and wine in special cups to meet the requirements of no open alcohol for the hotel. Gifts bags were handed out which included the cups, event shirts and other information of Lake Havasu.

The poker run winners were announced. First place winners were the Mundys. They won a Route 66 cap and visor. Second place went to the Gliots. They won a Route 66 apron and potholder. The worst hand went to the Frieszs. They won the wooden outhouse with a bottle of hot sauce inside.

MMT

Day 2 started with a five-hour Jetblue boat ride with a stop for lunch at Pirate's Cove in California. With the great weather we had, we were able to enjoy lunch and drinks outside. We thought we had some time to visit the gift shop. However, the water was receding in the cove, and we had to leave early to allow the boat to get back to the lake. We planned dinner at Shugrue's Steakhouse restaurant. Most of the group decided to walk across London Bridge and some decided to drive. The food and service were excellent. We all ate too much so the walk back was appreciated. We met back at the hotel and finished the wine and cookies from the pizza party. Day 3 started with saying goodbye to those heading back home. We offered a day 3 excursion for those that wanted to attend and Twenty-two decided to extend MMT into day 3. We drove back to Kingman, AZ to the visitor center. A group photo op at the drive Route 66 drive-through sign and individual photos with our cars. We visited the Route 66 museum and through the electric vehicle exhibit at the old powerhouse. Lunch was across the street and Mr. D's diner, a throwback fifty's restaurant. Once again, good food, endless homemade root beer soda, the service was great, and the server was exceptional. We headed back to Wickenburg as a rest stop and to the DQ for that ice cream we missed earlier. As the cars started peeling off to get to their homes, we realized MMT was over. Everyone told us how much they enjoyed the trip. A big thank you goes out to those who contribute their photos and submit them to Dennis Hughes for compiling them for your enjoyment. Thanks again, Dennis!

[CCA MMT - 2022 - Dennis V. Hughes \(smugmug.com\)](#)

Hagan's Halloween Party

Hagans

We sent out the invitation for a spooktacular event, thanks to Dom Lovino, our CCA Activity Chairman. We invited all who cared to attend on October the 29th, 2022. So all the decorating was finally completed. The clock struck 7 p.m. and the gals and ghouls started to arrive, some even brought appetizers in hand. Frankenstein and his dead 1800 veiled candle holding female partner with long white hair, sexy Susan. There was Nurse Rat-Shit from "One Flew Over The Coo-Coo's Nest" movie, Barb Bassett. The Monk, Rock Campise and Nun Diana Campise with her walker. Frank Hagan was a creepy Clown and his partner Nancy (me) as a celestial Witch. Dean Sample came as a Cowboy and Sandy as a Spider woman. Ken Alejandro was a handsome Mob Gangster with his Bar Fly partner Lylla with wings. Judy Hoffman dressed as a 60's hipster with dreadlocks and peace symbol sunglasses. My daughter Samantha came as a kitty cat with ears and a tail. Mary Rock was a war painted Indian. **Awesome costumes Gang!** Please forgive me if I didn't mention your costume due to my some what fading memory. A big "Thank you" for sharing and coming to our house haunting party and taking the time to think of your costumes one and all. Nancy

Chevys in the Park

Gliot

On the morning of October 30, 2022, the Corvette Club of Arizona descended upon A.J. Chandler Park to host it's annual Chevys In The Park Car Show. The weather was sunny and a beautiful Arizona Fall day. Bright and early at 8:00 am, the gates opened and cars began rolling in. By the time all were in there were (122) cars in attendance. At 9:00 am the National Anthem kicked off the show and the fun began! The music was cranked up, and the show was under way. Raffle ticket sales were brisk as attendees looked over some great gift baskets with something for everyone in at least one basket! 50/50 sales cranked up as well, bringing in some charity funds for Packages From Home, as well as helping with CCA coffers. The quality of cars was outstanding with a wide variety of Chevys to match any car lovers' tastes.

Promptly at 1:45, the awards presentations began and many Chevy and Corvette owners walked away smiling! As another show wrapped up, one couldn't help but observe how many CCA members volunteered to make this possibly one of the best shows ever. It was plainly apparent how much effort was put in by every member present stepping up to ensure success! Thanks to all who volunteered and attended CIP 2022 to make it a great success. Thanks to all who donated great items for the raffle baskets.

Make sure to not miss Corvettes In The Park, Spring of 2023 or Chevys In The Park, Fall of 2023!

Ron Gliot Car Show Chairman

Chicks and Roosters

On October 13, 16 CCA Chicks held their monthly luncheon at Stone & Barrel in Oakwood. Before enjoying their lunch, these chicks put together the fabulous baskets that were full of intriguing prizes, cash, gift cards, wine, and car products that were to be raffled off for our car show. This effort helped CCA raise money for the general fund and was a huge success. Thank you Chicks! Their next meeting will be on Veterans Day, Nov. 11. If you would like to get in on this fun, contact Elle Palmer or Sue Lovino for more information. There will be no Chicks lunch in December.

The CCA Roosters met in the Bar area of Stone & Barrel to enjoy lunch together also on Sep. 13. If you would like to join them, contact Dennis Hughes to get on an email list. Their next get together will also be on Veterans Day. There are no reservations required for either group, just show up and have fun!

Welcome Freeway Chevrolet as our New Sponsor

Welcome our New Sponsor for CCA, Freeway Chevrolet! We will get to meet them at our next Member Meeting on December 1st at Floridinos, 7:00 pm. Congratulations to all involved in securing this sponsor. Details of the agreement will be announced at that time.

CCA's Salute to Veterans

CCA has always supported Veterans through financial and physical support of Packages From Home. This year will be no different as our car shows and packing parties help to send packages overseas to active members of our military. Only 1% of Americans are active military, but they help protect 100% of the freedoms we enjoy as Americans. 18 of our own CCA members have previously served the United States in various branches of the military. Thank you all for your service to our country! Happy Veterans Day!

Life with the Maioranos

As part of a CCA event on September 20th we had dinner at St. Amand Kitchen & Cocktails. My wife, Cathy, drove our Chevrolet Equinox, but since I don't drink, and she does, I would be driving us home. Coming out of the restaurant parking lot you can only go south on Alma School Road, and I needed to go north. Cathy shouted at me to get over to the far-left lane as quick as possible so that we could make a U turn at Ocotillo Road just ahead. After making the U turn, I drove slowly to the next traffic light, which had

turned red, and looked in my rearview mirror to lights flashing behind me from a Police car. I needed to pull over and wanted to get out of traffic. I noticed there was a subdivision name, Ocotillo, on a masonry wall set back from the intersection with what looked like to me a paved area in front of the wall. I turned on the cross street and jumped the curb where I assumed there was a driveway. Cathy yelled at me...stop! Which was a good thing because I found myself parked on a lawn inches away from a pond promoting the subdivision. I rolled down my window and greeted the officer with "what have I done wrong". He answered "#1 you crossed over from the restaurant parking lot and went to the far-left lane too abruptly. #2 you made a U turn on Ocotillo and there is no U turn allowed there and #3 you jumped a curb and are parked on a lawn." "Have you been drinking, sir"? I replied that my wife had been drinking, but not me. I guess I was hoping she would be the one to get a ticket. The officer took my license, went back to his patrol car and Cathy and I burst out laughing realizing that if I hadn't stopped when I did, the officer would have been standing in water. We made sure to quit laughing when he returned to issue a warning and to advise me that if I ever get stopped again, I should stay on the road. We still can't believe he didn't give me a sobriety test and that I only got a warning. I suspect he may have been squelching laughter as well.

A couple of years ago I was driving my Corvette and leaving a Walmart parking lot which had a stop sign at the street next to the lot. I made a "California stop" and proceeded down the main street in Queen Creek. I noticed that there was a Police car behind me and after about six blocks and all the way through the center of Queen Creek, he turned on his lights and siren. With my window rolled down, I asked what the problem was. He said I made "sort of a stop" at the Walmart stop sign but failed to make a complete stop. He issued me a ticket. Did driving a Corvette make a difference? You decide. Larry

Upcoming CCA Birthdays

November

- 5 Dave Lott
- 6 John O'Boyle
- 6 Joyce Riffel
- 14 Charlotte McSpadden
- 15 Dennis Hughes
- 20 Elly Palmer
- 23 Arlene Craig

December

- 1 Guy Lombardo
- 6 Ron Gliot
- 12 Ellen Kemper
- 12 Cathy Maiorano
- 15 Gordon Leitz
- 20 Cindy Rhodes
- 20 Jim Kerber
- 22 Jim Glass
- 23 Linda Bartels
- 25 Steve Rhodes
- 26 Patty Friesz
- 26 Jeffrey Nieman
- 27 Cheryl Gliot
- 30 Beth Godina
- 31 Ken Rock

CCA Themed Apparel - Proud Owner Design

Official Club Store Products

Proud Owner Design can be accessed via the CCA Website. Click the "Merchandise" tab on the "Members Only" page.

If you would like to purchase shirts, hats and jackets please visit our website (www.proudownerdesign.com) and click on the "Sanmar" tab located on the home page.

Once you do that you can browse from thousands of items that we can put the club logo on. Simply call us or e-mail us with the product number, color and sizes that you need and we will get back to you with a price for those items. You may also purchase your own items and have us put the club logos on for you.
