Volume 17 , Issue # 1

Celebrating 48 Years 1975-2023

From the Prez

Tom Palmer

Dear Members,

The beat goes on.....more events.....more mem-
bers.....more "new babies"equals fun for our members.

Yes, it's true, Elly & I have a "new baby", we bought Swanson's Laguna blue C7 coupe. You'll see us in it with big smiles on our faces.

We have several guests that would like to become members, please welcome them to join us in our goal of enjoying our Corvettes and each other.

Many members are working hard to bring you events, please thank them for their efforts to bring you a variety of enjoyable events to choose from.

Let's get as many of our "babies" to the car show as we can, and help with something you can do to help out.

Here's to you, fellow Corvette enthusiasts, may our Spring season be a good one.

Yours in vetting,
Tom

From the Editor Kevin Deihl

Happy 2023 Everyone! Ah, the best time of year for Arizona residents is here again. Spring has sprung, and with it comes Barrett Jackson Auctions, WM Phoenix Open, car shows, and Baseball Spring Training are all activities that appeal to a lot of us here. The Super Bowl on the same weekend as the Phoenix Open, along with perfect weather, really showcased how much Arizona has to offer guests, part-time residents and year-round residents. In this edition of Crosstalk, we highlight special activities, dinners and meeting new people we enjoy as part of our club. When you see unfamiliar faces at meetings or events, remember how you felt as a newbie. Welcome these individuals into our club and share your experiences with them. Membership Chair Mark Godina has had his plate full lately of welcoming new guests to our meetings and we should make them feel welcome. Some of our newest members have stepped forward in offering to host or co-host events.

Our Annual Corvettes in the Park club and charity fund raiser car show is happening on March 26th. What a Great way to showcase what a friendly, active, car club we are a part of. We all joined because of the car, but we stay because of the people. Of course, we NEED Volunteers to help produce the quality show associated with us. If everyone pitches in, we all have less to do. PLEASE HELP!

If you have enjoyed an activity you have attended recently, please consider hosting an activity you think would be fun. The Activities team will walk you right through it, and no one always like being the cruise director! *Love, Kevin*

Public Relations Director: Ken Rock

Activities Director

Dom Lovino

From the Activities Director's Desk

I can't believe the first two months of 2023 are over. We've had a variety of activities so far this year. January's activities included, our annual New Year's Day dinner at Dragon Wok, a Johnny Cash tribute concert, a cruise through the Panama Canal for several of our members, a Car Show sponsored by the Gilbert High School drumline, (Ask Lylla about the trophy she won - Go Lylla!!), and our usual Chick's and Rooster's lunch.

February's activities included, 2 cooking classes at Sweet Basil, Karen Hester as Dolly in concert, a packing party at Packages from Home, and, our usual Chick's and Rooster's lunch. The luncheon is really taking off this year as more of our members are making time to attend. The Hagan Breakfast was postponed and will be rescheduled at a later date.

I know the weather has not been very cooperative so far this year. I believe this has been the coldest and wettest weather since we moved here over 6 years ago. The good news is, it's still early in the year and opportunities to pack our calendar are still out there.

We would like to see more drivers. They don't need to be long distances or involve overnight stays. A driver can be as simple as a drive around South Mountain and a stop at one of your favorite restaurants (lunch or dinner). They can include an activity or a favorite place to visit. We need a variety of drivers, short and long. You can choose. If you have an idea, bring to our attention. The activities team will be happy to help or pair you together with another couple to get you some experience.

A great way to meet CCA members is to host a Vette Set dinner. These dinners are relatively easy to plan. Usually, the numbers are smaller in size. Pick your favorite restaurant; check out how many tables the restaurant has; determine the best night for the restaurant to be able to serve our membership. (This could be a Tuesday or Wednesday evening.) Ask if they do separate checks (a must for our membership). Let us know the date and how many. Boom! Done! Easy!

How about a game night? You can host, and you get to pick and plan the games (Ask the Palmers for ideas.) Ask to bring a dish to share and you decide what you need, an appetizer, dessert or salad. You determine the number of members to attend, so not to overcrowd your home.

Think about hosting an event or two. The only bad event is not having one. There are places you have been that were interesting and fun. Please share them with us. *Dom*

Vice President's Report

Ron Gliot

Welcome to the 2023 Season!

I hope you all had a great holiday season with family and friends! It has certainly been a busy time in the Valley with car auctions, golf tournaments and the Superbowl! Now it is time to get focused on the real fun, participating with your CCA friends in a really exciting driving event season once again. In fact, we are lucky that every month is a driving season here in Arizona!

The calendar is filling up quickly with events going on every month. The Magical Mystery Tour is in the planning stages and we are going this year to..... The Palmers and Cheryl and I are working on the details and please take note, that the Palmers and ourselves moved here from Chicago, so money talks, and with the right amount we "might" just spill our secret. NOT.

Many of our other members are planning all kinds of events of many varieties. Keep watching the calendar and attending our monthly membership meeting to know what is going on. We encourage all members to come forth with any ideas for fun in the sun. Our Board members will always be there to assist in planning from start to finish.

As I say every month, the focus is always to have fun with our favorite car, the Corvette.

Keep the shiny side up!

Ron

NCCC Governor's Report

Ray Jenkins

Happy New Year every one in CCA from your Governor. The Sanction Events are coming to the Region Calendar. The Roadrunner Region kickoff event is on March 24-26 in Albuquerque NM, with several members attending.

I go to the Region Meeting on February 24th & 25th of this month In Saint Louis, Mo. I should have a report about what went on there at next month's meeting.

Lets all get on the sign up list for our All Corvettes in the Park show and make it a big success!

Ray Jenkins

[Roadrunner Region Website](#)

CCA Governor

Membership Report

Mark Godina

The past January and February meetings have had a participation of new guests wishing to join CCA.

Peter and Linda Funk who were brought to the meeting with Mark and Penny Dahlstrom. Peter and Linda have a 2022 Caffeine Vette

Mark and Anna Smith searched the web and found CCA. Mark and Anna have a 2003 50th anniversary and a 2013 Grand Sport.

Brad and Wendy Stratton found CCA on the web. Brad has a 1962 Red Coupe

Rick and Rita Peterson Found CCA on the web. They own a 2021 Sebring Orange Coupe and a 2019 Torch Red Coupe.

Mark and Cindy Ripley just relocated from St. George, Utah and will be residing in Mesa.

They own a 2020 Sebring Orange Z51 Hardtop

George and Vicki Rinehart Found CCA on the internet and own a 2023 Rapid Blue Z51 HTC.

Tom Eckholdt and Paula Turner found us on the internet and own a 2019 Black GS HT.

Luis Lopez heard about CCA from our website and own a 2023 Torch Red Coupe and a 2005 White Convertible.

At this time I would like to introduce Mark and Penny Dahlstrom as new members of the Corvette Club of Arizona. Mark and Penny have completed all requirements for membership and were approved by the Board on February 16, 2023.

The Dahlstroms hail from Bismark, ND and currently live in Gilbert. Mark is a retired Funeral Director and Penny retired as a Office Manager.

Mark and Penny just purchased a new 2023 Hard Top Convertible, Caffeine Corvette and took delivery at the National Corvette Museum in Bowling Green, KY.

Mark and Penny will be splitting time in AZ and ND.

Please welcome Mark and Penny Dahlstrom to CCA. You can find their contact info under Member's profile on CCA's website.

Mark Godina
2023 Membership Chairman

New Years Dinner at Dragon Wok The Bassets

The Holiday season, whether it is Christmas or Hanukkah, is a time for family and friends, a time for maintaining our traditions and a time for honoring our parents and forebears. We all have different backgrounds, but who doesn't reminisce about experiences such as: soft snowflakes falling on a quiet Christmas Eve, special dinners with family, tree decorations with twinkling lights, the smell of cedar boughs on the front door? How about trying to find which bulb was burned when the whole string went dark, or that wrapped present under the tree that made your eyes pop? Or another thought, how about New Year's Eve celebrations with fireworks and parties, open houses on New Year's Day?

Barb & I would like to thank everyone who came out to Dragon Wok to help us celebrate the old Bassett family tradition of having a Chinese food dinner with family and friends on New Year's Day. My folks would host a New Year's Eve party in our "rec room", and then extend the celebration the following day with a group of their friends at Ming's, a famous restaurant in Vancouver's bustling Chinatown (second only to San Francisco's). I can remember being invited to join in when I was just 10, and the wonder I felt seeing the fabulous restaurant for the first time. It has stayed with me all these years, so we keep the tradition alive.

Here's a toast to all our parents, who introduced us to so many of these wonderful traditions, and who did so much for us. "Thank you sincerely for being our parents. You'll always be in our hearts, and we'll think of you every day".

Finally, here's a heart-felt Thank You to all our CCA friends who have made our winters here so wonderful. We hope you will be able to join us again next New Year's Day!

Gilbert HS Drumline Car Show

Plattens

**Fundraiser for the Gilbert High School Drumline, January 28, 2023**

Early on January 28th, 10 sparkling Corvettes met in the parking lot at the Gilbert High School on Elliott Rd. It was very cold but sunny and some of us had warm blankets and a comforting thermos of hot coffee or tea. We were there to support the Drumline at Gilbert High School. They organize this event every year to raise funds to help offset the cost of the winter programs and competitions. It was a well-organized event, with tons of vendors for shopping and food, a live DJ, trophies, raffle baskets and a 50/50 raffle, as well as a private performance by the drumline!

When we arrived, the parking attendants immediately knew exactly where the section reserved for the Corvette Club was and directed us to it. The parking spots were generously spaced and we had plenty of room to accommodate folding chairs and visitors who ooh'ed and ah'ed over our cars.

Lylla Alejandro Owner's Choice Winner!

Thanks again to Dennis Hughes for compiling all these great photos. [Click here](#) for more. Thank you Dennis!

Game Night

Tom and Elly Palmer

How many CCA folks does it take to do a 100 piece puzzle?
Apparently a lot!

And then there was the surgical approach to cups...
Ready, **GO!**
Go as fast as you can... Not as easy as it might seem.
The gloves fit most, but not necessarily all.

Sweet Basil Cooking Class Bassetts/Pivars

This event has become so popular we require 2 classes of 12 people.

It's not all about cooking and eating; it's about bonding well with CCA Buddies, leading to a stronger connection within the club.

Linda Martin, a professional chef, has tutored us for the 9th season on preparing the menu. Cookbooks are great; however, being shown the exact methods of preparation and, then cooking has improved my cooking skills.

Pictures are worth 1000 words. Enjoy.

Chicks and Roosters Lunch

Our CCA Chicks and Roosters meet each 2nd Friday of the month at Stone and Barrel located in the Oakwood Country Club. Contact Elly Palmer or Susan Lovino if you would like to join the Chicks and you can contact Dennis Hughes if you would like to join the Roosters (or just show up!)

Craps Night at the Pivars

The Pivars

George Carlin once joked that "they banned me from the casino in Vegas for saying sh*t, when the big game played there is called 'craps.'" How did the popular dice game get its rather unsavory name? While craps is a distinctively American invention, it is based on a British dice game called Hazard that gained popularity some 2000 years ago. (Hazard is even mentioned by Chaucer in his *Canterbury Tales*.) When the French settled in what is now Nova Scotia, Canada, they brought the game of Hazard with them. In the mid-1700s, many of the French re-settled in New Orleans, where Hazard gained popularity thanks to all the gaming parlors in the area. The roll we now call "snake eyes" was referred to as "crabs" in the lingo of Hazard, and it is believed that over time "crabs" turned into "craps." By the early 1800s, the rules of the game had been simplified from those of the sometimes convoluted British version, and when riverboats filled with gamblers started heading up the Mississippi, craps caught on with the rest of the country.

Fast forward to February 8, 2023, when the craps table was erected in Neil and Tina's den so that we could play and learn how to play this dice game. AzNights.net was the company who amazingly set up a full table, provided Jim, the dealer/instructor, and had us playing in no time. For those of you who didn't attend, you must know red from black, how to count dots on the dice, how to throw, tips for calculating the odds, whatever the heck a "horn" is (ask Tina), and when it's time to leave the table to sample the wine and appetizers. As you will see in the photos, there were roses in honor to the Pivar's 21st anniversary. There were intent learners, such as Elly. There was Neil keeping their cat, Doofus, off the table and inside the house. And the rest of the crew paid close attention, periodically, to Jim's instructions! A guest for the evening was Madeline, Tina's friend. I suggest you pay attention to her moves if you're ever in a game with her. She actually seemed to know how to play and spoke of Vegas throughout the evening. Craps is the easiest table game to play, we were told. Many of us would need additional practice and coaching to master this "sport". Jim, our instructor, is available for hire to travel to a casino with you and coach you on the game!

Singing Pandas

The Rocks

On Valentine's Day February 14, 23 members of CCA returned to the Singing Pandas for another Vette Set dinner! This will have been our fifth year that we returned to the Singing Pandas and as always, we had a great time! Las Vegas entertainer, Mike Russell performed his many impersonations of famous singers from Dean Martin, Johnny Cash, Buddy Holly, and everyone's favorite Elvis Presley just to name a few! During his Elvis set featuring songs from Elvis' feature film Blue Hawaii, we were given a special treat!

Mike asks if anyone knew how to do the hula and our own "MEA HULA" Sheryl Katz got up on stage and entertained a full house, doing the hula to Mike singing Elvis' movie theme Blue Hawaii! She got rounds of applause from the crowd! Since everyone always has a great time at the Singing Pandas, the group has decided that we're going to make this Vette Set Dinner annual event! Everyone enjoys the food, the entertainment, the camaraderie, and atmosphere! If you haven't experienced a Singing Panda's Event, you might want to consider joining us next year! For all the pictures from our dinner, [click here](#)

Packages From Home

Bassetts

On February 22nd, 33 CCA members attended a Packages From Home (PFH) Packing Party in Glendale. Employing terrific teamwork, we packed 150 boxes in record time, and then went on to unpack and sort literally thousands of items in preparation for the next Packing Party.

Packages From Home is a 501(c)(3) nonprofit organization whose mission is to send care and comfort packages to our military personnel deployed around the world, as well as to facilitate activities that elevate morale of all veterans.

Here's the story behind this great organization:

On 9/11 Christian Lewis watched the Twin Towers fall and enlisted in the US Army infantry the next day. His mother, and Packages From Home Founder, Kathleen Lewis, sent him care packages while he was first deployed to Iraq in 2004. Christian said receiving packages from home not only provided needed and familiar items but also reminded him he hadn't been forgotten—that there were people back home supporting him. Unfortunately, Christian was the only soldier in his squad receiving packages and letters from home. Kathleen rallied her closest friends and decided to "adopt" Christian's entire squad. The group began shipping packages to all of the troops in Christian's unit and Packages From Home was born!

PFH

After a very successful packing party, we followed up with a great lunch at Marissa's Mexican Seafood restaurant. Although the extra server she arranged failed to show, Lorena did an excellent job and everyone who preordered had their meals within 20 minutes.

Special thanks go to all who attended this very satisfying and worthwhile event.

Ducktail Spoiler Install

Ron Brennan

I first saw this spoiler on Tony Vang's C8. He and his friends attended the 2022 Chevys in the Park. Tony owns Fujiyama Japanese Restaurant and Sushi in Prescott. His car is wrapped in flat black film. Very cool.

Several men, like me, questioned if this spoiler was a good idea. A non-scientific poll of couples at a Corvette Club of Arizona meeting was 4:1 in favor. For the non-DIY people, skip to the final paragraph.

I got a paper template from the vendor and drilled four $\frac{1}{4}$ " holes. Unfortunately, the part did not easily bolt-on through any of these holes. The part by Racing Sports Concepts has 4 bolt mounts, while the Z51 factory spoiler has 6 connections.

Several steps are required to remove the back panel assembly. To remove the rear panel (bumper), you remove 16 T15 screws, 14 vertical and 2 horizontal screws in the corners.

I remove the rear wheels when working on the rear bumper panel. To protect the paint on the inside of the wheels, I lay a towel over the disk and caliper before using the torque wrench to remove the wheel. Then remove the rock guards with plastic pry tools after removing the 7mm (9/32" socket) screw on the bottom. Next remove four T15 wide-flange screws from the fender-liner material on each side to access the two 7mm screws and 10mm nut on each side that holds the panel to the body mounts. After a struggle and strains using hand wrenches, I bought a $\frac{1}{4}$ " right-angle drive drill to make the work less difficult. There are six 7mm screws that hold the lower bumper mounts to the body.

The APR Performance instructions I have say to disconnect the electrical connections to make the work easier. I never found a way to separate the connections. You must remove the six 7mm screws on each taillight to access the rear bolt hole on the spoiler.
