“Corvettes in the Park Car Show”

Notice: Postponement of Car Show

To our registered Car Show entrants and potential guests, we have been notified by the City of Chandler that, due to the corona virus issue, all events scheduled for AJ Chandler Park have been cancelled from now until the end of April.

As we have expended a tremendous amount of time and effort to plan for this annual event, we intend to work with the City to re-schedule the Corvettes in the Park Car Show for the first Sunday in May and even sooner toward the last two Sundays in April, should the City of Chandler re-assess their plans in the coming weeks.

In the meantime, the Corvette Club of Arizona suggests that you stay registered for the show in the hope that we will be able to re-schedule for one of the above-mentioned dates; otherwise, you may request a refund of your entry fee by sending an email request to our Car Show Registration Co-Chair at: ccasecretary@centurylink.net or by US Mail to: Tom Palmer 6779 S Pinehurst Drive Gilbert, AZ 85298-4109

Thank you for your support of our Club and Packages from Home

Sincerely,

Brad Ryan
President, Corvette Club of Arizona
