Celebrating 48 Years 1975-2023

From the Prez

Tom Palmer

Dear Members,

Sum Sum Summertime.....is here. We have several drivers to choose from, have room for a couple of cars on the MMT (boy, is that going to be fun!), and could use an air conditioned vette set dinner or two.....?

A lot of members have stepped up and hosted events so far this year. Over 20 events (in addition to monthly events) for our members to choose from! A big thank you to all those hosts for bringing our members all those events. What a great club we have!!

Our sales representative at our sponsor Freeway Chevrolet, Denny Renko, had major back surgery 5/30, and I stopped in and spoke with him this week. He's back to work on a limited schedule, wearing a back brace, but walking well and looking good. He appreciates and posted all our get well cards on the wall in his office. Thank you members, for all those cards and well wishes.

Coming up in a couple of months we have nominations for club officers, so ask yourself what you can do for your club.

Yours in vetting,

Tom

### From the Editor Kevin Deihl

Greetings from the Editor. There's plenty to write about in this edition-from events, dinners, concerts, and a car show. We "Arizonians" are a tough bunch, willing to work around 100 plus degree temperatures and everything that goes with summer in the Valley. So yes, activities slow down some during the summer because of the heat and some of our members are not year-round residents.

With that being said, there was room in this edition of Crosstalk for some personal stories involving some of our more active members. That's really what this club is about, is sharing our comradery and love of the greatest American Sports car and the people who drive them.

We also get to introduce 2 new members to CCA! Please welcome them as you introduce yourselves.

There are also new Sponsors included in this edition so please check them out and let them know that you appreciate their support.

Finally, I hope you had a Wonderful 4th of July celebration with friends and family as we celebrate the birth of the United States! No country is perfect, but there's nothing more proud than letting someone know that you're an Happy Birthday AMERICA!! American!

Love, Kevin

As our snowbird friends have migrated to cooler weather, our activities have also slowed down due to the heat of summer arriving. The month of May had a good variety of activities. The Jimmy Buffet tribute concert, which was on the driving range at Oakwood Country Club, was a great time and drinks and burgers were available. It was as easy as buying your tickets, bringing your chairs and finding a spot on the driving range, get your food and enjoy the concert. The Katz held a game night with a medley of bring a dish to contribute to the feast, and three great games. The mystery bag, the TV show theme songs and the paper tower were played by three teams. Finally, Don Smith hosted a Corvette Car Show at the Gardens of Scottsdale. About a dozen cars were there to show the residents. A barbeque and drinks were provided for all who attended. The Garden of Scottsdale donated to Packages from Home on our behalf for providing the car show to the residents.

The month of June had a great driver planned to the North Rim. Ten couples and their vettes were ready to go on the driver. Unfortunately, the Lodge had a 100 year old water main break and cancelled our reservations. They are not planning to reopen until the end of July. A vette set dinner was planned to Tutti Santi. Due to few responses, the vette set dinner was cancelled and will be rescheduled for a later date. We did have a vette set dinner at T Bones. Twenty CCA members attended and we enjoyed great company and great food. We were all able to park together. The staff wanted us to park closer so they could see our vettes.

July and August have a number of activities planned for us to enjoy. There is still time to sign up for some of them. A driver to Devil's Highway in Alpine, AZ; a pool party; a vette set dinner to Angry Crab; a cornhole contest; a gondola ride in Flagstaff and one of the biggest events of our club - MMT.

We are always looking for activities for the club. I'm not sure if it's the hot weather or what, but summer always has a lower number of activities. Why not plan a driver to a cooler location in the high country or vette set dinner to your favor restaurant. Let us know and we will help you set it up. As always, I would like to thank those who have hosted the previous events and those planning future events to help keep our club an active one.

### Vice President's Report

### Ron Gliot

It's getting hotter......

But that summer heat shouldn't stop any CCA member from having fun in their Corvette. Most all are air conditioned and we can always visit places with air conditioning as well. It is a great time of year to head indoors and explore new museums, restaurants, shows or any other fun places we can think of.

Cheryl and I are finally thrilled that we can participate a bit more now that we actually have a Corvette in our garage! It was a long wait, but worth the savings to get a Corvette at MSRP when every dealer in the Valley is still asking \$10k more than MSRP. While every member was always encouraging us to tag along in the rear, it is just not as much fun in a Colorado pickup truck! Lol

As always, I encourage you as a CCA club member to focus on simply having fun and remember that is what a Corvette club is all about. Find excuses to drive our favored car and explore Arizona and enjoy a meal!

Save the Wave!

### NCCC Governor's Report

Ray Jenkins

From Bill Doherty, VP of Competition.

The top 15 list was read.

Competition Awards: Gold has doubled in price. Deb will be discussing money for top competitors. We will not be having gold rings for competitors for 2023.

Electric Vehicles: We asked for insurance advice. If a car is a Corvette, it will be allowed. We are not going to restrict E-Rays. Regions may decide on a club-by-club basis if they will allow EV's at their events.

E-Ray will be class PP the same as ZO6. We will determine if it needs a separate class later. Rule changes:

Governors' names and addresses on flyers for car shows are not needed.

C-8 engines will not be judged in best of show for Concourse.

FTD's will have to have at least 2 entrants to earn FTD per class. The second FTD will require 3 entrants, And the third FTD will require 4 entrants..

This will help new drivers. If someone is abusing this privilege it will be up to the event chairman to decide if it is being used properly.

Funkhanas in a car; If it is very low speed or stationery, no helmet required. Funkhanas will be scored the same as a rally.

Clarifications:

Clarification on language of HPDE event should be changed to NCCC event or Speed event because the connotation of HPDE is more of a training event. This was tabled and will be gone over again in the Fall.

Clarification in Chapter 11 with the language "wave by" should be changed to "point by" was

Clarification about voting for your own car at car shows. Clubs may decide if participants may or may not vote on their own cars at car shows. A protest concerning this was withdrawn. The rule book will be back online this week.

### Adventures in Parrotdise

### Howard and Sheryl Katz

It's 5:00 somewhere!! There'll be booze in the blender, margaritas, cheese burgers and fries. Sound familiar? Indeed... great lyrics by legendary singer songwriter Jimmy Buffett. On May 10, four CCA couples (Campises, Hughes, Katzes, and Pivars) met at the Oakwood Country Club for an evening together - dinner and an outdoor tribute concert on the driving range in Sun Lakes. It was a last minute idea, inspired by Diana. When we told her about our plans to attend she said it sounded like a blast, why not make it a CCA event? Alrighty then... so we did.

If you've yet to attend one of these Tribute concerts, they are known for their outdoor, party like evening. Dress code is comfy casual beach attire and crazy hats; the more parrots on a hat or shoulder, the better. Gates to the concert area opened in the afternoon so you could arrive early, get your complimentary lei, and set up chairs wherever you'd like to reserve your spot, head to dinner (we enjoyed a delicious meal at Stone & Barrel) and return later. We chose a great spot towards the rear, in the middle so we could see all the action, get up and dance and of course for a few of us, to chase the beach balls and toss them back into the crowd. As the sun set, we moved to the side for a grand view.

It was a low key fun evening and thanks to COX who sent reps to talk about their service, they passed out free drink cards to early birds. We enjoyed free margaritas during the concert! The weather was delightful as we watched the sun set, listened to the music, and enjoyed the evening together.

Game Night

### Howard and Sheryl Katz

On May 18, we hosted our first 2023 CCA Game Night. After attending the Palmers' Game Night in January, we had such a BLAST, we were inspired to host one ourselves. On the ride home, we thought of several games and cut them down to three for our event; we'll do the others another time!

The evening started with a potluck dinner. There was a cornucopia of food for appetizers, main courses, sides, and desserts. One thing about this group, they enjoy potlucks and they're generous with their contributions. Everything was DELICIOUS! Snacks and drinks were plentiful too... there were lots of leftovers.

We had planned to have patio seating but unfortunately, strong winds revved up just when we started dinner and rain followed, so we initiated Plan B... everything inside. It was fine though; there was plenty of table space and chairs for everyone - cozy and fun.

A total of 24 CCA members participated. Howard and I created and prepared each game so instead of us 'playing' the games, we officiated. We split the large group into three teams and then presented the games, one at a time of course, with breaks between each game.

All games included independent thinking, teamwork, and team consensus. Each group was asked to select a team leader/spokesperson for each game. At the outset of the 2nd and 3rd games, they were able to change the team leader if they wanted. And of course, there were 'fabulous' prizes for the winning team for all three games.

### Game Night cont.

We thought it would be a good idea to present three unusual games that would entail three different skills - an opportunity for everyone to shine at least once. The first up: "Feely Bags" was tactile; the 2nd was for hearing, "Name that TV Show from Yesteryear" based on a snippet of the show's theme song, and the 3rd was "Construct the Tallest Building" which involved creative thinking, dexterity and luck.

Each team dove into the games and strived to do their best. Howard and I had the most difficult jobs... monitoring the teams, answering questions, watching the times, and taking photos. One thing for sure, there were some priceless conversations, facial expressions and... a TON of laughter!!

Game #1 - Feely Bags: 15 sealed bags were provided to each group and the object of the game was to feel the bags from the outside of the bag and guess the content(s). The bags were opaque black and you were limited to feeling ONLY from the outside of the bag. Opening the bag would disqualify the team. The team had to have consensus on the content(s) for each bag and the team scoring the highest number of correct answers within the time limit won.

Game #2 - Name that TV Show from Yesteryear. Short sound bytes of the theme (depending on the theme tune, 10 - 33 seconds) from 15 TV Shows from yesteryear ('60s and '70s) were played. The teams had to reach consensus on TV show names and the team scoring the highest number of correct answers within the time limit won.

Game #3 - Construct the Tallest Building: Each team was provided eight sheets of plain white paper, a pair of scissors, a roll of scotch tape and a paper plate. Using the materials provided, the team had to construct a free standing structure within the time limit. The team with the tallest standing building (had to stand unsupported for at least one full second) wins.

It was a thrill to see everyone so engaged, minds thinking, watching the facial expressions, hearing all the laughter and belly laughs - it was indeed a fun packed evening! Thank You to everyone for the wonderful feedback; it was our pleasure to host this Game Night and we look forward to the next one!

### Gardens of Scottsdale Car Show

### Don Smith

On Tuesday May 23rd, member Don Smith arranged another senior living car show hosted by The Gardens of Scottsdale. Amy McCauley the marketing director in this beautiful community provided a warm welcome with refreshments as well as a nice lunch to all participants. The residents so enjoyed visiting with club members and we're excited to see so many beautiful Corvettes. We also honored our Vets in anticipation of Memorial Day. The Gardens of Scottsdale will also make a donation of \$150.00 directly to our charity, Packages from Home!

### T-Bone Steakhouse Dinner

### Lovino/Campise

Getting to the restaurant on a Sunday night was a real challenge. Freeways were closed, no access from side streets and some very frustrated Corvette members. Upon arriving, we had most of the parking lot on the east end to ourselves with all vehicles clustered together. Plenty of room to prevent scratches and dings. Sorry, dust came with the package.

Lovinos & Campises

The restaurant is on 19th avenue in the foothills of South Mountain. The site from the restaurant is quite beautiful since

T-Bones is sufficiently high enough that it looks down on downtown Phoenix. Gorgeous after the sun goes down.

As usual, we had a private area for 10 couples with a rather robust figure for our server. No surpise there, we requested her. What a hoot. She was having as much fun with us as we were with her. Immigrated through New York so we had a combination of Russian and New York accents. She didn't disappoint, excellent server.

As you see in the photos, everyone had a good time. Plenty of steaks all around and or yes, the desserts. At the end of the evening, we all saddled up to return home on a large stretch of Baseline Road. Full stomachs happy ending!

### Larry's Collection

### by Dick Hedahl

Larry Maiorano is a long time member of CCA and a Two-Corvette owner. Many of us have participated in Larry's Cars and Coffee gatherings on Saturday Morning in Queen Creek. It is a VERY informal and really fun get-together of car folks.

Larry was born in 1940 Occupied France.

He moved to NYC in 1947 with his mother and adoptive father, and later to San Diego in the early '50s.

That put him in the heart of Southern California Car Culture. He spent a 30 year career with Chevrolet.

You can read more about Larry's life and career by purchasing his book, Lobsters in the Snow. See the link below.

Those of you who know Larry are aware that he has been collecting cool cars for many years. I have been talking to Larry about recording him and his cars for a long time. We finally got it done. The links below are the YouTube videos we did on each of his collector cars. We also did a great video on his extensive collection of Automotive Books and memorabilia. Click on each of the links below to view the whole works on YouTube.

I hope you will find these videos interesting and entertaining. Dick Hedahl

### Lylla Alejandro

Ken and Lylla Alejandro have been members of CCA since 2019. Lylla has been very active with the club, serving previously as Activities Director while both have attended multiple events and car shows. In fact, they hosted a party at their house to complete their membership requirements to join CCA!

Lylla's C5 Corvette, nicknamed Marilyn, is one of the most popular cars at any car show she enters. She has won lots of trophies with her car.

This year she tried something new. Lylla entered the Ms **Senior Arizona** Pageant for 2023. The Pageant is a fund-raiser for the Cameo

Foundation, an independent group in the support of Battered Women and Battered Children. It was held in Sun City West, AZ and was attended by nearly 350 people in the audience. There were 15 women entered in the contest. It included an Interview with the Judges, Stage Presence, Ball Gown competition, and the Talent Portion. Many of the ladies sang for their talent. Lylla sings beautifully, but she decided to try something a little different. Lylla performed a hilarious comedy act. It was extremely well received by the crowd and contributed well to her standing in the finals. Congratulations to Lylla on her 2<sup>nd</sup> Runner-up finish! Submitted by Dick Hedahl
