Celebrating 49 Years 1975-2024

President's Report

Tom Palmer

Dear Members,

Hope you had a good spring season, as we head into summer. March & April were busy months with over a dozen events to choose from, and a lot of members attended them. Be sure to thank all those hosts who planned and put on those events for you.

The spring car show, Corvettes in the Park, drew 91 registrations raising \$910 for Packages From Home. The wind and morning rain showers kept about 20 extra cars away that usually register on the day of show, lessening our overall profit. After discussion, the board decided to go ahead with the fall car show, Chevys in the Park.

We had a Ladies Tea Driver in April with 9 ladies having lunch at the English Rose Tea Room in Carefree. In the planning stages for the fall is another ladies only event, a Ladies Corvette Clinic hosted by Charlotte Hughes. You go Ladies!

The 50<sup>th</sup> Anniversary Committee is working on a nice celebration for Founders Day next year, when our club celebrates 50 years since being founded in 1975. So put April 11<sup>th</sup> on your calendar and be there or be square.

Hope to see you at the events,

Yours in vetting,

*Tom*

## From the Editor Kevin Deihl

Hello Fellow CCA'ers! This edition is packed with Beautiful cars, Smiling faces and Adventures galore! With Founders Day complete for this year, we now set our focus on the 50th Anniversary Celebration for CCA next year. I encourage everyone's input as to how they think our Anniversary could be best celebrated. Perhaps we come up with a new logo design that could be applied to shirts, jackets or stickers. We have some very creative members in our club that once given a nudge for some ideas, the results could be amazing. Our 50th Anniversary committee is already working on ideas and have selected a venue for the party. Please engage with our committee members of Diana Campise and Susan Lovino to mix in your ideas of a unique and memorable celebration.

Also, please welcome our newest members to CCA as you join them at an event or meeting. What a great resource for fresh ideas!  
All for now. *Love, Kevin*

## Membership Howard Katz

During the first quarter of 2024, we are fortunate to have a few wonderful new members that found us, thought our club was a great fit, went through the necessary activities, and were voted into CCA.

Anna Baumiller is a snow bird who hails from South Dakota and drives a 2007 Monterey Red convertible. Her hobbies include pickleball, biking, RVing, and traveling.

Tim and Allison Harmon, originally from Indiana and Maryland drive a 2022 white and black coupe. Tim enjoys golf and computer games while Allison passions are sewing and crafting.

Jim Thorne and his other half, Joyce Ennis, was enjoying the club's activities so much with Jim that she decided join us as well. Joyce is originally from Wisconsin.

The most recent newcomers are Mark and Terri Koehler. Tim is a native Arizonian and enjoys grandkids, skiing, beaches, dirt driving, and travel. Terri loves grandkids, cooking, and reading.

Please join me in welcoming our new members! Our club membership now stands at 109. Howard

## Activities Report

Dom Lovino

It's hard to believe a third of 2024 is already behind us. Our nice weather is quickly turning to summer heat as our snowbirds have either left or are preparing to do so. Some highlights from our CCA activities over the last two months were: Breakfast at the Hagans, Gaslight Theatre in Tucson, Corvettes in the Park Car Show, Lake Pleasant Driver, Ladies Tea Driver, Copper Creek Car Show, and Founder's Day. Our members also attended many other activities in the area as well. As a club, 2024 has been a very active year so far. Our weather is heating up, and our activities are getting lighter. If you haven't turned on your AC yet, it won't be too much longer. We can turn our activities toward indoor activities with Vette Set Dinners, and Game Nights. It is the perfect time of year for drivers to the high country where the weather is definitely cooler.

Upcoming events for the next two months are the Waggin Vineyard Driver, TBone Vette Set Dinner, Show Low Driver, and the North Rim Grand Canyon Driver. We still have opportunities to add more events for the rest of the year. If you haven't attended any activities this year, please consider signing up for an upcoming event. Have a favorite restaurant to share? How about holding an ice cream social night or a day driver to Payson (Kohl's Ranch)? Consider reaching out to the activities team to get them on the calendar or requesting help to plan your event.

As always, I want to thank everyone who has hosted an activity so far this year or has an activity planned and currently on our calendar. Our club's success is due to the strength of our membership's willingness to share their favorite places and socialize with everyone in the club. Any activity provides us another opportunity to drive America's greatest sports car - our Corvettes!

## Vice President's Report

Ron/Rhonda Gliot

Welcome to spring in Arizona.....well at least welcome to a few degrees warmer, as every season in Arizona is Corvette driving season! We have had many great outings and gatherings in 2024 already and many more are planned. We encourage every member to plan a special outing. Visiting new places and having a variety of activities is what keeps a club fresh and fun! As we start moving to summer here in AZ, we know it gets very hot. The beauty of driving in Corvettes is most of them have great air conditioning, and with that we can enjoy outings year round, especially when we end up at a favorite museum or eatery. No idea is a bad one, so time to step up and get some new ideas on our calendar. CCA is not my club, or the Board's. It is every member's club, and we all should chip in to achieve the end goal which is having fun with our favorite car of choice.... Corvette!

Keep the shiny side up.....Ron

## Hagan Breakfast

## Hagans

I believe this was Hagan Pancake Breakfast # 29. The Arizona weather was perfect. We had 33 attendees even without Mary O'Connor, who was unable to attend for medical reasons. She was definitely missed.

Tina Pivar was our volunteer bartender, Mark and Beth Godina brought the wonderful Bloody Mary mix and Diana Campise was our greeter at the door. Dom Lovino helped with the cooking of eggs and sausage.

We want to thank all the people who brought in dishes to share, especially Mary Rock's vanilla coconut cake! Many of the people not only brought delicious food but helped out with various chores and/or helped with the cleaning up afterward! Afterall, that's what CCA'ers do!

Nancy and I are looking forward to next year's get together. Hope we can do a little more socializing and less cooking! Get well soon Mary! Sincerely, Frank Hagan.

## North Dakota Picnic/Car Show Dick Hedahl

We had nearly 40 vehicles at the show. 16 of them were Corvettes. Generations represented = C1, C2, C3, C5, C6, C7, C8  
There were over 3000 people attending the Picnic. We will do it again next year, on the first Sunday in March, 2025. Dick

## Gaslight Theater

## Campise/Lombardo

The two day activity was hosted by Roc and Diana Campise and Guy and Norma Lombardo.

All thirty-two Gaslight tickets for the melodrama comedy “The Curse of the Pirate’s Gold” were sold well in advance of the event. We left McDonalds on Riggs Road in Sun Lakes shortly after 9:00 a.m. on Sunday. We traveled the scenic routes of 87 and 79 South. After a pit stop in Catalina, we arrived at Texas Roadhouse in Tucson at 11:45 a.m. We had access to the full menu, and we enjoyed a leisurely lunch. The service and the food were excellent. The Texas Roadhouse is conveniently located across the street from the Hampton Inn, where many of our group stayed the night. After lunch, many people were able to check in early at the Hampton Inn before proceeding to the Gaslight Theatre for the 3:00 p.m. show.

The Gaslight Theatre provided special “Corvette Parking Spaces” for our group. There was a minor inconvenience for a few of our participants who had to move the Corvettes to make room for an RV. Four of Neil and Tina Pivar’s friends who live in Tucson met us at the Gaslight to see the show. Jennifer Deihl’s mom Margaret, who also lives in the Tucson area was also able to join us for lunch and the show. We took up two full rows of seats in the middle section of the theater, which provided an excellent view of the stage.

The live house band got the whole crowd singing oldies including “Old Time Rock and Roll”, “I Heard it through the GrapeVine”, “Cracklin Rosie”, “Joy to the World”, “Bad Moon Rising” and “Mommas Don’t Let Your Babies Grow Up to be Cowboys”.

After the warmup music was over, the two act show began. The show took us into the world of pirates trying to obtain a treasure chest of gold and jewels. The cast was excellent and gave an enthusiastic performance. Their high energy made the show fun as we all cheered the heroes and booed the villains. After the play ended, we were treated to another house band performance. The band provided the music while the cast from the play put on a country western show imitating stars like Johnny Cash, June Carter Cash, Dolly Parton and Linda Ronstadt.

## More Gaslight Theater

The show ended at 5:00 p.m. but not before Ken and Mary Rock celebrated with a complimentary Sundae in recognition of their 41st Wedding Anniversary! Congratulations Ken and Mary! 17 of the participants traveled to Piazza Gavi for dinner. Piazza Gavi has an extensive menu of Italian foods. The service and quality of food were excellent. Some people drove home after dinner, while the rest went to their hotels. Guy

## Good Morning Arizona

## Ken Rock

On Friday morning March 22nd, our Public Relations Director, Ken Rock, arranged for a public service announcement concerning CCA's Corvettes in the Park car show. This segment highlighted our beautiful cars and how funds raised from this event supports Packages From Home, our chosen charity. Great job Ken and thanks to everyone showing up with their cars.

## Corvettes in the Park

## Ron Gliot

On March 24 th , 2023 at 6:30 am, the Corvette Club of Arizona, once again descended upon A.J. Chandler Park in beautiful downtown Chandler to host Corvettes In The Park. The day started very cool and cloudy with even some raindrops from time to time. We forged on as set up went smoothly and everyone was ready to open bright and early. While the weather was not cooperating 100%, we still had a number of cars lined up early ready to have some fun.

Howie K's Hot Hits cranked up the tunes to get us all going and the Corvettes were rolling in by 8:00 am sharp. As we opened, the Palmer Pen Pushers registration team was flowing smoothly and the cars flowed in unimpeded. Dom's Lot Lizards worked efficiently to ensure everyone was parked quickly, in fact all the waiting pre-registered cars were parked in about 20 minutes....a new record!!! East Valley Corvettes once again showed up with (19) cars to support the event and the general public registrations brought us to (92) cars total; (82) on the field. , There was every era of Vette represented and everything from straight stock to restomods showed the variety of cars in the Corvette world.

## Lake Pleasant Driver

## Katz's

### We Met.

- 26 participants; including new members Tim & Allison Harmon, guests Mark & Terri Koehler, and Cis Eberst's grand daughter Olivia Leedom. A total 14 cars (12 in the caravan; the Buckeye contingent joined us at the lake).
- During Driver Meeting: participants were given a U.S. flag and a colorful Easter egg filled with jelly beans and a raffle ticket. After a few notes and instructions about the route, driving in the caravan and our stops,

### We Drove.

- Mini Tour at Talking Stick area
  - A drive by the **Great Wolf Lodge**, Scottsdale's indoor water park resort.
  - A short stop to walk and see the **USS Arizona Memorial Gardens**; the site spans the exact length of width of the ship with over 1,500 commemorative columns outlining the actual perimeter of the ship with a boat house relic pulled from the remains, in an enclosed glass display.
  - A drive by the **Salt River Baseball Fields**, spring training for Arizona Diamondbacks and Colorado Rockies.
  - A drive by the **Medieval Times** Dinner and Tournament that offer the renowned show featuring a grand tournament of knights and feast. We did one of **Howard's famous drive-by circles** in the parking lot so we could all wave to one another before exiting.

## More Lake Pleasant Fun!

- Took AZ-101 out of the city; drove through **Desert Ridge area** to Cave Creek Road. Aaahhh... out of the city... headed north, passing the **Veterans National Cemetery** and **Cave Buttes Dam and Recreation Area**.
- Meandered through the beautiful **Phoenix Sonoran Preserve** noted for its fabulous desert scenery with windy roads and incredible landscapes.
- Wound our way north to drive through **New River around Daisy Mountain (south of Anthem)** to our pit stop. The curvy roads, hilly terrain, and interesting historic sites along the way were great for this Corvette caravan. Our pit stop and scenic photo opp was at the Shell gas station, just east (and below) the I-17.

The last leg of the trip... more desert scenery along the scenic back roads on the west side of I-17 en route to Lake Pleasant.

### We Ate.

- About 2/3 the group walked down to the Marina, built on a floating dock. The others took the jitney ride instead.
- We enjoyed lunch at Dillon's Bayou, known for its huge menu and delicious KC BBQ.
- While drinks were being served, we held the raffle - **Tom Marks won** two free Cruise tickets.

It was surprising and a delight for us to hear that for most on the driver, this was the first time they'd been on

these scenic back roads and several of the sites. From the many compliments about the Drive, touring the USS Arizona Memorial, and enjoying lunch at the Marina, we can honestly say... it was a great outing together! Afterwards, about 1/3 of the group stayed to enjoy the optional 90 minute narrated cruise. Their high praise of the cruise was wonderful; they saw lots of wildlife, enjoyed the Captain's narration and, cruisin' on the lake.

## Ladies Tea Driver

## Elly Palmer

April 16, the Corvette Club Ladies took a spin up to Carefree for tea and luncheon at the English Rose Tea Room. There were 8 gals that attended , hats and all: Elly, Tina, Diana, Anna and her friend Marian, Sue, Charlotte and Nancy . We had 13 signed up but health issues got in the way for several ladies and we really missed them. We doubled up to drive as parking up there is a challenge...and besides we got to chat enroute! The weather was wonderful with perfect temperatures and the bluest of skies. The restaurant was lovely, decorated in pink roses and tea ware, tables with floral tablecloths and real China cups. We dined inside next to a picture window looking out on their patio. The food was beautifully prepared and the service was really delightful...like we used to know and enjoy. There was some discussion about making it an annual event... that works for me! Elly

## Gamblers Classic Corvette Car Show

## Radvany/Plattens

The Gambler's Classic car show is an annual NCCC event sponsored by the Corvettes of Bakersfield. This year, it was limited to 340 people and held in Laughlin, NV, over three days from April 18 to 20 at Don Laughlin's Casino and Resort. Gary Radvany attended the car show 20 years ago and raved so much about it that Heinz and Eva decided to join him this year. Gary brought a guest, Elaine Keyser, from Corvettes of Sonoma, Gary's club when he lived in California. This year, for the first time in history, the event was sold out! Corvettes of Bakersfield did a fantastic job organizing this event, which had 185 Corvettes with 38 clubs participating. Most of the clubs were from California but there were some other clubs from Arizona there, too.

After checking into our room, we settled in and prepared for the evening's festivities, appetizers and cash bar. The four of us were seated at a table right by the window!

The next day, we skipped the fun run to the London Bridge in Lake Havasu. Instead, Heinz and I visited the excellent car museum, hung out by the pool, enjoyed our margaritas and strolled along the riverfront. Gary and Elaine took the boat cruise along the Colorado River.

On the last night was the people's choice award ceremony with categories for the 10 Corvette

categories, the host club having their own category, best in show, best in show veteran and the

club with the largest participation categories, along with some fun awards, like best license

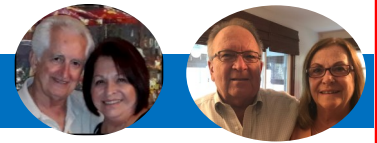

plate. Gary had a field day, winning \$250 in the poker run and the model car in the silent auction!

## Founders Day

## Campise/Rock

On a warm and sunny morning, April 24, 28 members and 14 Corvettes left for Cornville Arizona to take a scenic Founders Day drive on the winding back roads and arriving at the "Up The Creek Bistro Wine Bar". Four other members joined us at the restaurant, arriving with their "Tin Cars"! We had 32 members enjoying a delicious lunch, talking with each other and of course, don't forget the iconic "Founders Day Cake". After everyone enjoyed their lunch 20 members extended their Founders Day adventure by driving into Prescott, Arizona. A majority of the members took the switchback through Jerome and a few less adventurous took the straight route via Route 17 into town. The group spent the night at the Historic (possibly haunted) Hassayampa Hotel! That night, everyone enjoyed dinner at various restaurants in town. The next morning, we woke up to thunder and rain and much colder temperatures. Some of the Founders Day travelers decided to head for home! The "Dirty Dozen" braved the weather as the sun came out and toured the Charlotte Hall Historic Museum learning more about the history of Prescott and Arizona Statehood. After the Museum Tour the Founders Day survivors saddled up and returned to Phoenix!

## Copper Creek Car Show

## Don Smith

To help celebrate Copper Creek's 5 yr. Anniversary, CCA was invited to present their cars for the resident's enjoyment. Approximately 20 cars showed up on a beautiful sunny morning. There was no judging or awards given out for this show. For a simple \$10 donation that went directly to Packages From Home, club members enjoyed live music, free lunch and the chance to brighten residents and their families of the memory care facilities day! Copper Creek Matched the money raised from the entry fee to help Packages From Home perform their mission of helping out our current Military personnel, especially those staged overseas. Great job Don!
