Baby Announcements

Mike Bartell has a 2024 C8 from Freeway, another yellow Vette for our club! Bill Kell bought Mike's 2007 that was traded in for his new ride. All good business for Freeway!

Public Service Announcement from Tom: It's two weeks to Valentine's Day. Be advised and act accordingly!

Guest Speaker

Russ Beyer from Hagerty Insurance spoke to the members about his regional agent role with Hagerty and the benefits offered by this company. These include a standalone policy for car clubs (Hagerty is the largest writer of insurance for car clubs and is insuring three local clubs), an exemption from emissions checks for insured vehicles, and a guaranteed valuation with no depreciation. Russ is known to several of our CCA members and likes Corvettes as his personal favorite. He had a short game to play and some members went home with Hagerty tumblers or hats. Russ was thanked for his information and for the \$100 donation made to our Corvettes in the Park car show.

Vice-President, Ron Gliot

Ron is working on the Corvettes in the Park car show and confirmed the 3/24 date. The volunteer sheet was not at the meeting, but Ron said many members have already signed up. Other members may contact Ron to offer their time and talents for the show.
