

MEMBER MEETING, 8/3/23

Floridinos

President,

Tom Palmer called the meeting to order at 7:00 pm and asked for a motion to approve the minutes from the July 6th meeting. **Tina Pivar Moved approval; Elly Palmer 2nd the motion.** Sheryl Katz requested a correction be made to the game section as follows: "Outside of CCA activities, what is the most exciting drive (in your Vette), this past year?" **Correction was accepted and amended minutes were approved by a vote of the members present.**

Denny Renko at Freeway Chev, has been recovering and remains thankful for the continuing cards and support offered by CCA members.

Baby announcements: Howard Katz announced that after searching for 3 years, he and Sheryl are owners of a new to them 2019 Yellow Corvette, which came to them with 8,500 miles. Their yellow 2014 vette with 39,000 miles will be for sale. Contact Howard if interested. However, check out his claim that he only drove it in the night time to keep the color from fading!

Vice-President, Ron Gliot

Ron missed the last meeting as he was attending Ron Fellows Performance Driving School. If you purchase a new Vette, Chevrolet will fund \$3,000 of the \$4,000 registration fee at Fellows. He strongly recommends that members who can this school, do so. Very valuable experience and information.

Chevys in the Park, Sunday 10/29 is on the horizon. Volunteer assignments will be sent out soon and discussed at our next meeting. Tina has gathered gift cards and donations for the raffle. All members should try to gather items, as well. Tina has an information sheet that can be used when soliciting donations.
